

1.2.2 Percentage of new degree programmes, fellowships and diplomas introduced by the university across all Faculties during the last five years (certificate programmes are not to be included)

1.2.2.1. Number of new Degree Programmes, Fellowships and Diplomas introduced by the University during the last five years

HEI Input:

75

DVV suggested Input:

58

Response: As per DVV Suggestions for extended profile 1.1, the UG diplomas have been excluded and the Ph.D Programs even though introduced by different departments in different years as supported by the board of studies minutes have been counted as one.

Hence, the revised input is **60**.

SGT University is a State Private University with constituent faculties. It is not an affiliating University. As per the **statutes** of the University, **Academic council** is the apex body to take decisions regarding the academics of the University including the introduction of the new degree, diplomas or fellowship programs. Hence, all the programs have been introduced after recommendations from the respective departmental Board of Studies and duly approval by the Academic Council. The board of studies highlighting the introduction of the particular program and its subsequent academic council approval has been highlighted and mentioned alongside each program as a supporting link.

The data in excel format is uploaded on the portal.

The diploma programmes claimed in the metric are duly mentioned on SGT University Website. The programs are duly updated and can be accessed through the following link:
