Optica Local Section Benefits

[Download the Optica Local Sections Handbook](#)

Funding, Programs & Materials

Activity Grants - Support professional development, youth education outreach and various Local Section events. Grants are awarded up to 1,000 USD per year to further efforts for community engagement, funding for guest speakers, operational costs of Local Section and professional development efforts for section members.

Excellence Award - Recognizing outstanding sections in the areas of advocacy, youth education and professional development programming. Winners received Excellence Award certificates and 1,000 USD.

Traveling Lecturer Program - Sections receive funding for a guest speaker of their choice annually. Program information and a directory of available speakers are available online (login required).

Youth Education Resources - Educational outreach is one of the most important and significant ways Optica supports local communities and inspires tomorrow's young scientists. Optica offers online resources, a variety of classroom materials, which are primarily free of charge and events for educators that address the needs of students from elementary school through university studies. We encourage you to contact opticaeducation@optica.org to learn more about Optica's education outreach program.

Optica Foundation Diversity and Inclusion Grant - Limit to one per year, sections may apply for this highly competitive grant. Intended to support initiatives that align harmoniously with Optica Global Headquarters mission and vision. Grant is meant to support events that promote inclusivity including gender equity, LGBTQ awareness (specifically highlighting International Women and Girls Day in Science February 11th and LGBTQ Stem Day July 5th). Local Sections can receive up to 2,000 USD for their event.

Optica Zoom Account - Intended to support our Local Sections to address inability for sections to have in person meetings and to promote networking with hopes of also reducing meeting/operational costs. Zoom accounts are also helpful to connect to students, local universities and other professionals in the specific geographic regions.

Exclusive Local Section Discounts - Members of Optica Local Sections are granted exclusive discounts to join Optica Membership and discount rate to selective Optica Career Lab programming. Ask us about group membership rates.

Dear Dr Pradip Malik

Thanks for the information. The Mathematics Consortium is pleased to support the activity at SGT University on 20th October 2022 under 'Statistics in Data Science' under TMC Regional Programmes and you will get the support of Rs 1500*2 lectures=Rs 3000.

Pl. send the bank account details so that the support amount can be transferred to the account.

You will be required to send the report of the workshop including the list of participants.

Regards

S. A. Katre

ACS Student Chapter Starter Grant - SGT University

ACS International Student Chapters <isc@acs.org>

To: "Head. chemistry" <hod.chemistry.fosc@sgtuniversity.org>, Dean FOSC <dean.fosc@sgtuniversity.org> Tue, Feb 8, 2022 at 9:17 PM

Cc: ACS International Student Chapters <isc@acs.org>

We are thrilled to support you, Dr. Anjaneyulu Bendi.

In order to deposit the starter grant funds, we need you to please fill out the forms from the original notification email and follow the instructions to submit them to ACS. Once we receive the funds, we will be delighted to support you in the creation of your chapter.

The funds will be deposited in Indian currency via wire transfer. Please fill out the wire transfer form, award agreement and relevant tax forms so we can distribute the funds.

Once we establish your student chapter I would be happy to connect you with the other student chapters in India, which are very active and eager to connect!

Please let me know how I can support you in finalizing your starter grant payment. I have attached the original email here, which also includes the instructions and all required forms.

Best,

Subject: ACS Student Chapter Starter Grant - SGT University

Dear Anjaneyulu,

Registrar
SGT University
Budhera, Gurugram

Thank you for submitting an ACS Student Chapter Starter grant application. Congratulations! The proposed ACS International Student Chapter at Shree Guru Gobind Singh Tricentenary University has been selected to receive \$300,000 USD in grant funding to support the formation of your International Student Chapter.

In order for you to receive the funds, as faculty advisor we ask you to complete the following forms. Once completed, you must upload the tax and banking forms to ACS's Secure Portal. Please send the completed award agreement to my colleague, Susan Flinn (cc'd), and me. In that same email, confirm that your tax/banking forms have been uploaded to the secure portal (this is essential & without confirmation we will not be able to process your grant).

Registrar
SGT University,
Budhera, Gurugram

2/14/2022, 12:33 PM

Award agreement information:

1. US tax form:
 - a. Complete either a "W8 BEN," "W8 BEN-E," or "Substitute Form W9" according to your US tax status. Your bank or university finance office should be able to determine which form you will need.
2. Bank account information:
 - a. If your chapter's bank account is outside the US, complete "Wire Transfer Authorization" form; or
 - b. If your chapter's bank account is in the US, complete "Direct Deposit Authorization for ACH" form

You must complete all steps prior to receiving an electronic transfer of money from ACS.

As a condition of this grant, your student chapter must submit a final report to ACS within 30 days of your last related event. You can access the final report form here at any time <https://surveys.az1.qualtrics.com/jfe/form/SV_agd3aNbSAXMVhVb>.

Furthermore, now that you have received your starter grant you can officially charter your chapter with ACS: <https://www.acs.org/content/acs/en/education/students/college/studentaffiliates/start.html> This must be done within 60 days.

Congratulations! We look forward to hearing about your successes!

Sincerely,

Christina

To protect your sensitive information, please upload a copy of forms needed using the American Chemical Society Secure Portal link below. After clicking the link, you will browse to locate the files to be uploaded from your device or drag the files as indicated and then CLICK UPLOAD to securely upload them to us. Please complete this process within 3 business days. You will see UPLOADED in green at the top of the box when successful. Note: this site will require you provide your name and email for tracking. This file sharing process is secured with TLS encryption protocols and your file is protected while stored with AES 256 -bit encryption. <https://americanchemicalsociety.sharefile.com/r-r1c0ac3e314d34c979fc8a018f0cc4b7>

**Study proposal for support with
DMG materials**

Dear Investigator,

Thank you for your interest in our products. DMG stands for high quality, innovation and scientific development in the field of dentistry.

We would gladly support interesting research projects and studies through material support and sharing of scientific knowledge. To ensure that we maximise the offer of support, we kindly ask you to provide us with a short project proposal (including description of the experiments, experimental groups, sample number, methods).

If you have any questions or need for assistance, please do not hesitate to contact Dr. Nadine Wittkopf (study request coordinator).

With best regards from DMG

	<p>Subgroup A: Resin infiltration(n=5 patients) Subgroup B: Micro abrasion followed by resin infiltration(n=5 patients) Subgroup C: Micro abrasion and bleaching followed by resin infiltration after 2 weeks(n=5 patients)</p>
Sample size	<p>Please enter sample size per group, overall sample size and how sample size was calculated. 30 patients</p>
Requested material	<p>If the amount of required material is known, please state the amount here; If the required amount is unknown, we will assist you with calculation. Amount unknown</p>
Methods/Intervention	<p>Please give a short description of the methods used and/or interventions planned.</p> <p><u>METHODOLOGY:</u></p> <p>Beginning January 2018, patients with good to moderate oral hygiene, referred to the Department of Conservative Dentistry and Endodontics at the SGT Dental College and Research Institute, Gurugram, Haryana, India, would be recruited to the study. Consent form will be taken from the patients after detailed explanation of the procedure. After complete dental examination, oral prophylaxis would be done.</p> <p>A total of 30 patients with non-pitted fluorosis stains on maxillary anterior will be included and classified as mild(n=15) and moderate(n=15). Each grade is subdivided into three groups as Group A, Group B and Group C. All three treatment procedures will be performed under rubber dam isolation.</p> <p>Enamel micro abrasion will be performed with opalustre kit from Ultradent according to manufacturer's instructions. Similarly pol-a office bleaching from SDI and Icon infiltrant from DMG Germany will be used according to manufacturer's instructions. In cases of sensitivity, at the end of procedure, topical desensitizing agent will be prescribed to the patients.</p> <p>HP VAS scale: An HP VAS with a 170-mm line marked with various terms describing the improvement will be used. The scale will be divided into 4 categories: "no improvement"</p>
