Batch (2021 - 25)

nagemen

#### **Program: BHM**

#### Graduate Attributes-BHM

Graduate Attributes are vital to the design, delivery and assessment of student learning in all faculty of Studies at the University. These University Graduate attributes are as follows:

- 1. Knowledge and Expertise in operational and managerial skills of hospitality and tourism business
- 2. Research and Enquiry
- 3. Information and Digital Literacy
- 4. Problem Solving
- 5. Communication
- 6. Behavioral Skills, Teamwork and Leadership
- 7. Global Citizen
- 8. Ethical, Social and professional understanding
- 9. Employability, Enterprise & Entrepreneurship
- 10. Lifelong Learning

#### **Program Objective-BHM**

The objective of the Degree Programme in Hotel Management is to provide students with a high quality, practical yet academic training in hotel management. The programme emphasizes the development of skills needed in managing activity and nature of services in Hotel Operations. In addition, a wide range of related subjects such as marketing, financing, business activities, product development and human resource management are also covered. Language studies also play a major role with special emphasis is given on learning the language of Hospitality-French Language. Upon completion of the required 160 credits within four years, graduates are awarded a Bachelor of Hotel Management.

The set objective will be achieved by providing following learning environment:

A programme that is both challenging yet supportive. A truly professional atmosphere, achieved through the extensive links with partners abroad and in collaboration with International and national organizations. Co-operation with a network of hotel groups, ancillary network of hospitality business and local businesses. Professionally highly qualified faculty & staff with international experience in the hospitality segment.

#### **Program Educational Objectives-BHM**

- 1. Knowledgeable and technically competent in Hotel Operations in-line with industry requirement.
- 2. Effective in communication and demonstrate good leadership quality in an organization.
- 3. Capable to solve issues related to Hotel Operations innovatively, creatively and ethically through sustainable approach in a multi-cultural environment.
- 4. Able to demonstrate entrepreneurship skills and recognise the need of lifelong learning for successful and satisfied career enhancement.

#### **Programme Learning Outcomes-BHM**

Upon successful completion of this program of study, the graduates shall:

1. Acquire, review, analyses and apply knowledge, skills and attitude towards hospitality and other related industry. 2. Demonstrate comprehensive technical abilities in Hotel operations, which includes expertise of following sections-Culinary, Restaurant Operations and Rooms Division. 3. Identify, formulate and provide creative, innovative and effective solution to challenges faced in Hotel industry.

4. Communicate effectively in both written and spoken form with Hotel professionals, allied industry professionals and community. 5. Function individually or in teams, with a capability to engage effectively with other people and team members.

6. Display cultural sensitivity, ethics and with humane responsibility, in line with Hospitality Industry needs. 7. Recognize the need for and to engage in lifelong learning and professional development. 8. Self-motivate and enhance entrepreneurship skills for career advancement and development. 9. Realize and demonstrate effective leadership responsibility.

### **SYLLABUS**

## BHM - 4 years

set University Bud Ira, Gullaon

Sem/Year	3 <sup>rd</sup> Semester / 2 <sup>nd</sup> Year
Subject	INDUSTRIAL TRAINING REPORT & VIVA VOCE
Training Objective	To make students familiar about the hotel operation. Students will be able to understand process and systems of the organization.
	They will be able to replicate the learning in the college after their return.
Training Duration	Duration of Exposure: 20 weeks
	INDUSTRY EXPOSURE TRAINING GUIDELINES
	<ol> <li>"Twenty Weeks" Industrial Exposure Training is compulsory as a part of the curriculum in any of the star hotels/Hospitality Organization.</li> <li>Training is not a matter of choice but a matter of one's ability and the frame one fit into. The training and placement cell of the department would provide students a opportunity to learn in a reputed organization. However if one wish to arrange the training on his/her own an application in written may be given to the coordinate training and placement well in advance so that the student next in merit list may be considered for the suitable unit.</li> <li>After the confirmation of training from the hotel to the department, under an circumstances student will not be permitted to go for the change 4. Students will be required to give a presentation based on training report &amp; project Report. Also a viva would be conducted on the above said.</li> </ol>
	ATTENDANCE RULES:
	One weekly off and festivals and national holidays given by the hotel 10 days medical leave supported by a medical certificate. Leave taken must be made up by doing double shifts or working on weekly offs. Attendance in the training would be calculated on the basis of Certificate issued by Training Manager/ HR Manager/ Concerned Officer of the unit trained in. Industrial Exposure will require an input of 100-110 working days (20 weeks x 06 days = 120 days). Students who are unable to complete a minimum of 90 days of industrial training would be disallowed from appearing in the term and examinations. Students who complete more than 75 days of industrial exposure but are unable to complete minimum 90 days due to medical reasons may make good during the vacations. Such students will be treated as 'absent' in industrial training and results. The training in III semester necessarily needs to be in an approved hotel equivalent to three star of above/ Heritage or other such good property. Prior written approval needs to be taken from the programme coordinator/ Convenor/ H.O.D for Industrial exposure from parent Institute.
	IT TRAINING SCHEDULE:
	Housekeeping: 3-4 weeks; Front Office: 3-4 weeks; Food and Beverage Service:4-5 weeks Food Production: 4-5 weeks; others (In the areas of Interest) Floating weeks may be availed
	Total weeks: 20 weeks. The Units imparting industrial exposure shall conduct formal induction sessions and emphasis on personality skills while acquainting the learners with skills of trade. It may please be noted that for this semester the number of credits assigned is 24. Being practical oriented the number of hours input per week comes as 48 hours per week.
	Dean Family Hansgement
	20

#### ACADEMIC CREDIT RULES

Academic Credits for training shall be based on following

Log books and attendance, Appraisals, Report and presentation, as applicable

All trainees must ensure that the log books and appraisals are signed by the departmental/ sectional heads as soon as training in a particular department or section is completed. Trainees are also advised to make a report in all four departments in III semester on completion of training in that respective department. A PowerPoint presentation (based on the report) Should be made. This will be presented in front of a selective panel from the college and the industry. It should be made for duration of 10 minutes. Marks will be awarded on this. The presentation should express the student's experiences in the department and what has he learned/ observed. There would be a viva voice and examination conducted by the expert committee. In case if the student is unable to clear it with minimum aggregates of fifty percent or leaves the training in between or does any code of misconduct during training, the training after sixth semester and would be able to get his / her pass certificate /degree there after only.

The Training Report will be submitted in the form specified as under:

a) The typing should be done on both sides of the paper (instead of single side printing)

- b) The font size should be 12 with Times New Roman font.
- c) The Training Report may be typed in 1.5 line spacing.
- d) The paper should be A-4 size.

e) Two copies meant for the purpose of evaluation may be bound in paper-and submitted to the approved authority.

Students have to submit the following on completion of industrial training to the faculty coordinator at the institute:

- 1. Logbook.;
- 2. Appraisal;

3. A copy of the training certificate.

- 4. IT Report in all four Departments.
- 5. Power Point presentation on a CD, based on the training report.
- 6. Attendance sheet.
- 7. Leave card.
