PROLEGOMENON

SGT University (Shree Guru Gobind Singh Tricentenary University) was established in January, 2013 with the avowed objectives of following and propagating the message and teachings of the tenth Sikh Guru, Shree Guru Gobind Singh ji that "the spread of Gyan is the highest service to mankind", which can be best achieved through specialized and quality education. SGT University dedicates itself to achieve its vision, mission and objectives through academic excellence in all spheres of knowledge.

The SGT University, spread over 62 acres of fully-developed institutional land in Bhudhera, Gurugram, has a lush green campus with modern infrastructure and excellent academic aura. In line with its vision and mission, the campus has been designed and developed with great sense of aesthetics to provide eco-friendly environment and ambience to stimulate hunger for learning. The University is located in the National Capital Region, less than five kilometers from Delhi border at Daurala- and has an easy and convenient access from I.G. International Airport.

As a temple of education, this University aims at producing world class academicians and leaders in all spheres of life by embedding in its students high moral values, commitment to excellence, and zeal for incessant pursuit of knowledge. Apart from this, intensive personality development and mentorship programmes are offered by the University to mould its students into competitive human resource and inquisitive minds.

UNIVERSITY FACILITIES

The SGT University offers a variety of programmes under the aegis of its faculties. The brief description of various faculties, given hereunder, provides an insight about the strengths of this University.

FACULTY OF MASS COMMUNICATION & MEDIA TECHNOLOGY

In terms of media and communications, we live in a very exciting age. The demand for information and entertainment is greater than ever before. A career in media is therefore, highly significant. Faculty of Mass Communication & Media Technology is a prominent department of SGT University that plugs the increasing demand of media savvy professionals in India & abroad. The Faculty is fully equipped to train students in the film making & television production, Mass Communication and Journalism.

We at SGT University, train our students for a highly competitive world by honoring their creative and technical skills. The course is designed to provide our students a complete knowledge of the trade through workshops, field trips, production projects and the best of equipment – still cameras, video cameras, studios, PCR, lights, microphones. At SGT University, media is as much as an academic discipline as it is industrial. It encompasses print, television, film studies, radio, media research, photography, advertising and public relations.

With technical knowledge of equipment we also focus on the creative and intellectual growth of the students. For this, our course structure is top-of-the-line, enabling students to learn the art of reporting, writing, editing, scripting and anchoring in our state-of-the-art, fully functional TV studios, news room and editing systems.

Our focus is on growth of well-rounded media personalities. To achieve this, we hold distinctive programs. This year, we held our First Film Appreciation course in Association with India's premier institution, Film and Television Institute of India (FTII, Pune). It provided a golden opportunity to our students to learn in-depth about Cinema Studies and the functioning of Bollywood. They interacted and interviewed India's finest woman film maker, Sai Paranjpye, besides other experts from film industry.

Students at SGT University learn the professional codes and ethics of Media, be it journalism or television production or fiction films. We are proud to announce that our students will certainly be the leading lights of Media Industry in the near future.

Mass Communication faculty at SGT comprises of committed members of academic and experienced professionals from Print, Television and Film Industry. Apart from permanent faculty, the department boasts of visits and workshops by renowned and practicing members of Media Industry.

FACULTY OF PHYSICAL SCIENCES

The Faculty of Physical Sciences consists of three departments namely, Department of Physics, Department of Chemistry and Department of Mathematics. In the academic year 2014-15, the faculty started its academic activity with undergraduate course B.Sc. (Non medical). In the subsequent year, three postgraduate courses M.Sc. (Physics), M.Sc. (Chemistry) and M.Sc. (Applied Mathematics) were started.

At present, the faculty has 19 fulltime faculty members consisting of two Professors, three Associate Professors and fourteen Assistant Professors. It is due to the dedicated efforts of the faculty members, valuable guidance of the distinguished personalities, timely support of University authorities and un-quenching curiosity and enthusiasm of students that the faculty is progressing rapidly in its academic pursuits and frontline research. With this enthusiasm, the faculty introduced new courses, M.Sc.(Nanoscience and Nanotechnology) and Ph.D. in Chemistry, Physics and Mathematics from the academic session 2017-18.

Most faculty members are Ph.D holders. More than half of the faculty members have good number of years of international exposure in various Universities and Research and Development Organizations. Therefore, under the guidance of these august faculty members, the students of Faculty of Physical Sciences is better oriented to understand the recent trends in Research and Development.

In order to ensure comprehensive development of the students, undertake a number of initiatives for strengthening the processes in the faculty and also improving the quality of the interaction at various levels. Revision of the curriculum and syllabus as per UGC guidelines, connection with the industry through visits to national laboratories (such as National Physical Laboratories, Inter-University Accelerator Centre, New Delhi, Central Forensic Science Lab, Hyderabad) internship programmes, guest lectures and alumni meeting, and arranging parent-teacher meeting, are some of the highlights of the initiatives. The research profiles of the faculty members are very good and are available on the university website. The research activities and outputs have got significant momentum in short time in young and vibrant faculty of physical sciences, with research publications in peer-reviewed, indexed international journals. Participation and presentation of research paper in international / national conferences by the students and faculty members have been a regular feature. Vision 2030 of the faculty has been defined and students have been engaged in a number of research activities in the form of Synergy or Techno-fest events in the university and also research projects as part of the revised curriculum.

FACULTY OF AGRICULTURAL SCIENCES

The Faculty of Agricultural Sciences at SGT University was established in the year 2016. To fulfill the increasing demands from continuously squeezing arable land, innovative technologies and technical knowhow in the field of agriculture and allied fields; remain the only answer to the problem. For tackling issues like declining crop production and productivity, generation and adoption of latest technologies will come to the rescue of the problem. To achieve the desired results, the need of the hour is to train agricultural graduates with latest knowledge along with innovative and modern research experience in agricultural fields. The innovatively generated modern technologies applied at farmers' field will ultimately help us in achieving the goals. Realizing the need for well trained agricultural graduates and post graduates in public and private sectors and also more and more demand of agricultural produce and processed food, it was envisaged to start the undergraduate program.

Latest and updated syllabi and curricula as per the guidelines and market demand and requirements are prepared. The courses taught in this degree equip the graduates to find career opportunities in educational, research and management fields in public and private sectors.

The Faculty of Agricultural Sciences has recruited meritorious and competent teachers from reputed institutes, who leave no stone unturned for using teaching methodologies, attending and satisfying students' queries. Updated knowledge is imparted to the students. The emphasis is on using hands-on training in teaching with a view to transforming the students industry oriented on completion of their degree. Therefore, they are involved in practical programs in the field right from sowing of seed till the last activity of the crop raising.

Along with teaching, emphasis is also laid on the research activities. Three research projects have been handled by the department. A crop-cafeteria has also been established for making the students acquainted with various crops. Besides, nine innovative working projects were displayed and demonstrated in Techno-fest program; popularly known as Synergy. All the projects were keenly observed by the Hon'ble Chief Minister of Haryana, Sh. Manohar Lal Khattar during the inaugural session and encouraging comments were given in the visitors' book. The Faculty also bagged the Best Innovative Project for "Maize Shelling Machine".

Faculty:

Qualification: All the faculty members are well qualified having Ph.D. degree with an experience ranging from 2 to 37 years in teaching, research and extension fields. Four teachers in the core faculty are having exposure of overseas training. FACULTY OF BEHAVIOURAL SCIENCES

"If you plan on being anything less than you are capable of being, you will probably be unhappy all the days of your life" – Abraham Maslow

Faculty of Behavioral Sciences (FBS) was established in 2014 and department of Clinical Psychology was established in the year 2013. In 2017, two more departments are proposed to be added under FBS, these are department of Applied Psychology and department of Audiology & Speech Language Pathology. RCI approved M. Phil Clinical Psychology course has been introduced in 2017 and other graduate/postgraduate courses are being run under all these departments. Thus students are offered an ideal combination of interdisciplinary, professional and academic excellence. We are constantly working towards our mission of delivering quality education and standard professional training, both on- and off-the campus. With a renowned, experienced and trained faculty team Clinical Psychology department has earned recognition for its participatory style of teaching and experiential learning. We are offering an environment which helps students and faculty both, to maximize their potential in academics, research and innovation; and as excellent practitioners. The faculty has collaboration in research, faculty/students exchange with international University. The department has latest infrastructure equipped with state-of-the-art lecture rooms, laboratory having experimental and testing facility, library facilities and affiliation with OPD/IPD of Psychiatry department. Teaching pedagogy supplemented by interactive programs with renowned counselors and clinical psychologists leading to holistic development of students.

CAREERS IN PSYCHOLOGY

The demand for trained psychologists in the country as well as abroad is immense. Psychologists will be needed in health care services; with ageing population; work with students in schools; drug abuse; consulting and managing personal crisis; to name a few.

Although psychologists may compete with other disciplines such as psychiatry, clinical nursing, social work and counseling. But "clinical psychologists will continue to be needed to help with the rising health care costs associated with unhealthy lifestyles, such as smoking, alcoholism and obesity, which have made prevention and treatment more critical". (The U.S. Bureau of Labor Statistics, BLS, 2011). BLS stated that "Job prospects should be the best for people who have a doctoral degree in clinical, counseling or health from university of reputed SGT University is the right platform for this purpose. Employment will grow because of increased demand for psychological services in schools, hospitals, social service agencies, mental health centers, substance abuse treatment clinics, consulting firms and private companies" this is the case in India too.

FACULTY OF NURSING

Dashmesh College of Nursing was established in year 2012. Presently we are the constituent of SGT University as FON since 2013. The College is recognized by Indian Nursing Council, New Delhi and Haryana Nurses and Nurse-Midwives Council, Panchkula, Haryana.

Faculty of Nursing, SGT University has remained steadfast to the one central commitment to provide a balanced comprehensive nursing education and clinical skills. Nursing is a practice-oriented profession, and therefore, FON gives opportunity for students to learn by caring. It has highly qualified faculty, excellent infrastructure and Multispecialty Medical Teaching hospitals, with most advanced facilities which provide a wholesome experience in nursing education for enhancing their practical skills.

Nursing is a unique profession, whose primary focus is care of the sick and managing the preventive, promotive and rehabilitative health needs of clients. Nursing is growing with current trends and technologies in health care system. Today, nursing is also influenced by consumer's awareness, patient rights and health care cost. Scientific advancements in healthcare system and research made today's nursing to focus on evidence based nursing practice. According to a recent survey in the United States there is a requirement of one million nurses for the next five years.

Graduate nurses from our FON will be part of this global phenomenon. The Nursing programme have been formulated to train young, enthusiastic students as well-versed competent professional nurses to render quality Nursing services with modern trends in the health care delivery system to uphold the ethics of Nursing as a profession. The students are encouraged to take active part in the social activities for the welfare of the society like pulse polio other outreach community programmes. More emphasis is placed on the research work for the Nursing students in order to implement evidence-based practice in Nursing profession. The students are provided with more field research, applied, action research and scientific research approaches.

FACULTY OF DENTAL SCIENCES

Faculty of Dental Sciences was started as S.G.T. Dental College, Hospital & Research Institute in the year 2002 and became a constituent Faculty of the esteemed SGT University from the academic session 2013-14. The Faculty of Dental Sciences, SGTU with its excellent infrastructure, state of the art equipment and well experienced and highly qualified faculty has carved a niche for itself in the field of Dentistry and is recognized among the top Dental Colleges across the country. As a source of dental education, the faculty aims at developing the student's, three dimensional personality by dealing with:

- Continuous pursuit of knowledge, commitment to excellence & cultivation of moral & ethical values
- General dentistry at the out-reach levels to the masses & needy people
- Basic & Advanced Research related to Oral diseases & Oral health care

Courses Offered:

- BDS (Bachelor of Dental Surgery)
- MDS (Master of Dental Surgery) in all the nine specialties
- Ph. D in all the nine specialties

The Faculty of Dental Sciences, SGTU provides a very sound platform for the students to be academically strong and clinically competent.

Under Graduate Teaching Program (BDS) : Before the students enter the clinics to treat patients, they are given pre-clinical training including lectures, demonstration and complete practical training on dummies and phantoms mimicking the human oral cavity. After a strong base, the students are given a wide exposure on patients in clinics. The Dental Hospital has an OPD of more than 600 patients catering to both rural and urban population. Each case is personally supervised by a highly qualified and well experienced faculty member and every student in the clinics is personally guided. The students undertake basic & advanced level treatment procedures on patients in all nine departments.

Post Graduate teaching Program (MDS): The Post graduate program is designed to produce globally acceptable professionals who can choose to be competent clinicians, successful entrepreneurs, keen researchers or astute academicians. The Post Graduate sections are fully Air Conditioned and equipped with all state of the art equipment. The Institute has various fully equipped minor and major Operation Theatres where surgeries are performed on a daily basis. The MDS Course in lines with Dental Council of India, is largely application based which includes Seminar Presentations, Journal Club Presentation, Clinical Case Presentation, Library Dissertation, Main Dissertation, and training in all advanced treatment procedures. The post graduates training is at par with the global standards. Depending upon the specialty, the students are trained in all minor and major diagnostic and treatment methods. Eg: advanced diagnostic techniques, full mouth implants, sinus lift procedures, lasers, surgical procedures including cleft lip and palate surgery, esthetic rhinoplasty, reconstruction surgery, orthognathic surgery, pediatric treatment under conscious sedation, endodontic treatment with microscope etc.

Lasers and Implants are the need of the hour and therefore, the institute has special DIODE units and procedures like gingival de-pegmatization, frenectomy, crown lengthening, gingivectomy etc. can be carried out on day-to-day basis. Single to full mouth implants are done including sinus lift procedure, zygomatic implant etc.

Each Department lays high quality stress on Research & Innovation in the field of Dentistry and Applied Sciences. Many faculty members are pursuing extramural research works in their choice of specialisations & all faculty, post-graduates & even under-graduates are encouraged to document scientific manuscripts in Textbooks, Journals etc. The Departments also organize Continuing Dental Education (CDE) programs, Conferences, Guest lectures, talks etc. on a regular basis to keep the students and faculty updated. The Post graduate students and faculty members win awards and accolades at various National and International Conferences and PG Conventions every year. The faculty lays special place for industry tie-ups both at corporate like Nobel Biocare, Colgate Palmolive Pvt. Ltd & government levels in the field of academic training or outreach oral health care.

Holistic Development of Students: Besides academics, the students also actively participate in lot of Extra Curricular programs every year including Fresher's Day, Induction & Orientation Programs, Diwali Fest, Holi Fest, Symphonious (Musical Fest), Inter-College cultural & Sports fests etc.

CENTRE FOR LANGUAGES AND COMMUNICATION (CLC)

SGT University has set-up an exclusive Centre for Languages and Communication (CLC) to upscale the Communication and Soft Skills, across all programmes, for all the students, keeping in mind the trending applicability requirements in the corporate set-ups.

Knowledge, communication skills and positive attitude are the three vectors of employability. For all the organisations, regardless of their size, clear and concise communication is the way to success. In today's times, we are all living in a global village. Plethora of opportunities are waiting to be exploited but to make use of them and grow professionally, we need to be able to understand the language that the world speaks. Securing a job and able to adapt to the work environment is a major step and managing this transition requires preparation beyond what the curriculum prescribes. Hence CLC tries to prepare SGTians for the Campus-to-Corporate movement. Mock Interviews, Group discussions, role plays are the tools used during preparations. The tech savvy students are engaged through multiple tools and mediums.

They are exposed to Language Lab, Online quizzes, PowerPoint Presentations etc. Keeping the needs of our students CLC focuses in the following areas:

1. Communication Skills
2. Soft Skills and Personality Development
3. Foreign Language

CLC has a team of vibrant and energetic faculty members who conduct Communication Skills and Personality Development sessions in the following Faculties: Faculty of Engineering, Faculty of Commerce and Management, Faculty of Physiotherapy, Faculty of Nursing, Faculty of Pharmacy, Faculty of Mass Communication, Faculty of Fashion Design, Faculty of Agriculture, Faculty of Behavioural Sciences, Faculty of Law, Faculty of Physical Sciences, Faculty of Hotel Management.

CLC conducts regular Workshops for Faculty and students. The following events were organized by CLC team

A 1-Day Debate Competition in collaboration with Faculty of Engineering was held on 22nd September 2017

A 2-Day Teacher Training Workshop in collaboration with Cambridge English was held on 17th and 18th February 2017.

A 3-Day Public Speaking Skills Workshop in collaboration with Faculty of Education was held between 25th and 27th July 2017.

English language figures very prominently on the world map. CLC tries to bridge this gap of need and supply for the young upcoming professionals. For the globe trotting youth and soon to be professionals, German and French languages have also been offered through Choice Based Curriculum System since January 2018. Being multi-lingual is undeniably an asset for exploiting career opportunities.

Holistic development of a student is at the core of all that an educational facility does. To add another dimension of humanity, creativity and fruitful engagement beyond the prescribed courses, CLC has inaugurated EngWings- The Literary Club on 7th February 2018. Brewing discussions, reading books, watching documentaries, cultural assimilation with the world at large and much more is the focal point of this initiative.

CORPORATE RESOURCE CENTRE

THE TRAINING & PLACEMENT CELL

At SGT University's Corporate Resource Center we follow an 'out of box' approach to establish greater, enduring and synergistic industry linkages.

In addition to the traditional push strategy, a pull component has been duly incorporated wherein we partner with corporates, industry practitioners and corporate leaders for the long haul.

We at SGT University believe that employers can play a significant role in helping young people discover the world of work. At SGT University we practice **Job Shadowing** that allows a student to spend a few hours (2-4) or a full day (6-8) with an industry professional working in the student's area of career interest. The student has the opportunity to experience first-hand what the job is really like and can establish the confidence to ask informed questions! This type of experiential learning helps students to determine early on in their college career if they are on the right path.

Similarly, **Informational Interviews** at SGT University are a great way to help students understand the world of work, careers, and employers. Informational interviews involve allowing a student to interview a professional about his/her work and own career journey. The time commitment is minimal, 30-45 minutes. Some of the information students wish to learn about include: career roadmap to the corporate leader's current position, a typical day for the corporate leader, the joys and challenges of his/her job, any recommendations that the corporate leader may have for someone working to pursue employment in the field, and the culture of his/her organization.

Through SGT **Externships**, which are training programs related to an area of academics or career interests, we aim to give participants practical experiences in their area of interest. Externships tend to be shorter in duration, usually only a few days or a couple weeks, and involve a combination job shadowing, informational interviewing, and possibly a brief hands-on experience. The goal of an externship is to provide students with additional insights into a specific career.

Through our '**Employer in Residence**' initiative, students get the opportunity to spend one-on-one time with participating employers to ask lower case career-related questions that may not directly relate to that employer's organization/company; e.g. resume critiques, interview tips, how to ask for informational interviews and other areas of interest. This is THEIR time with an employer! There is no

better way to gain employer insight on "awkward" questions students might have about career paths, company culture, answering challenging questions without fumbling for an answer.

At SGT University, several corporate leaders get involved with students by volunteering to be **Mentors**. Students wise to learn firsthand from professionals in their career fields of interest. These experiential learning opportunities are highly valued as they allow students to learn about careers and industries in a deeper, more meaningful way. The program encompasses a range of activities, including an informational interview, job shadowing, site visits, resume reviews, mock interviews, or sharing your professional knowledge and experience. The commitment for Mentors can be as little as one hour a semester, working with just one student or more than one student at a time.

INDUSTRY LINKAGES

SYNERGY 2017 THE ANNUAL TECHNO-FEST

The SGT University is pledge bound to work towards research and innovation by providing a stimulating environment to our students through state-of-the-art infrastructure and atmosphere. It is an acknowledged fact in modern education system that Science and innovation complement each other and inter-disciplinary research is the right step in the future direction. In order to cultivate and encourage a dialogue between diverse disciplines, the SGT University upgraded the trademark event of Technofest and amalgamated our specialities into a gala event titled 'SYNERGY 2017'. The occasion was graced by the honourable Chief Minister of Haryana Shri Manohar Lal Khattar who expressed his pleasure to see innovative projects from the students of diverse backgrounds. The environment friendly solutions to farming issues displayed by our students especially caught his attention and received ample praise.

In the SYNERGY event, there were 140 projects from the SGT University and also schools and colleges from various parts of NCR and Haryana also participated in the fest. Around 60 projects from schools were being exhibited whereas around 18,000 students from 180 schools were invited to witness the exhibition. For serving this social cause, complete facilities including transport was provided by the University to all these 180 schools. There were also special awards for the projects to encourage the students under various categories.

No department or faculty can work in isolation and create anything innovative. Rather, this platform allows the faculties to understand the importance of interdisciplinary approach. Various products and projects had been made through cooperation of multidisciplinary. For eg: the Faculties of Ayurveda and Dental Sciences had come up with a mouthwash. The Faculty of physiotherapy and engineering produced a miraculous aid for the Patients Suffering from Parkinson's. Hence, Synergy was a showcase of the technical competence gelled with recent advances through an Interdisciplinary approach.

INFORMATION COMMUNICATION TECHNOLOGY (ICT) FACILITIES

Recognizing the importance of Information Communication Technologies (ICT) in education and research, the University has placed robust Campus Wide Wi-Fi network and Computer Labs equipped with latest computers and power back up systems in position. All the computers located in the offices, computer labs and classrooms are linked to the Campus Network. The students are provided internet access in the hostels as well as at learning places. It always remains the endeavour of the University to augment its ICT infrastructure and replace obsolete PCs and other equipments with the latest ones to match its growing academic and administrative needs. The Internet bandwidth is subscribed from three Internet Service Providers, namely BSNL, Primenet and Tikon. As much bandwidth is subscribed as is necessary for our campus network users and we keep on enhancing it from time to time to meet the rising demand and to become a digital campus.

RESEARCH LABS, LECTURE THEATRES & SEMINAR HALLS

The University has integrated experiential learning as a prominent mode of teaching and modern course curricula matching international standards. For experiential learning, the laboratories have been equipped with advanced and sophisticated scientific equipments and instruments to provide stimulating environment to the students, particularly those who are pursuing postgraduate and research programmes and the teachers alike for advanced learning and creative activity. The University is committed to achieve excellence in research by providing supportive environment for research to flourish not only in all its faculties, but also in multidisciplinary groups. Similarly, the spacious lecture theatres are air-conditioned, well-illuminated, adequately furnished and equipped with multimedia teaching aids and ICT gadgets including internet connectivity for the best content delivery.

CENTRAL LIBRARY – THE TEMPLE OF LEARNING

The University Library—a knowledge shrine at SGT University and the hub of the academic and research activities—has a huge collection of latest books and national and international journals along with other learning resources, both in print and electronic forms. The reference collection includes a large number of reference books, handbooks, dictionaries and encyclopedias.

The digital library consists of CD-ROMs on a variety of subjects such as Medical Sciences, Dental Sciences, Allied Health Sciences, Management, Engineering, Computer Sciences, etc. In addition, more than 2200 e-journals are subscribed by the library which can be accessed round-the-clock from any node linked to the university network. All the functions and services of the library—cataloging and classification, check-out and check-in, information services and barcoding of books—have been fully automated. The internet lab attached to it has more than 50 nodes which are freely accessible to the teachers and the students for internet surfing right from its opening to its closure late in the evening.

The library has been professionally designed and has ample space and natural lighting for the comfort of readers. It can accommodate more than 450 readers at a time. The air-conditioned environment of the library provides serene and cozy atmosphere for serious study.

HOSTEL FACILITIES

Studying away from home opens up a world of exciting learning possibilities, but along with the excitement comes the anxiety about the unknown and the problems of adaptation to new environment, as a person treads upon his/her learning expedition. Living in a hostel is a great opportunity for the students to meet their compatriots, make new friends, and learn the chores of community life. Being a wonderful rendezvous for students from all over the country, they can learn about various states and expand their understanding about our wonderful country. In line with these aspirations and in order to shed off its students' worries and make them feel at home, this University provides high quality accommodation, separate for boys and girls, on shared basis, with clean and hygienic dining facilities. The rooms are well-furnished with a round-the-clock power back-up, filtered water supply, and Wi-Fi Internet connectivity. The hostels are well-secured with CCTV cameras in position and Security Guards on 24x7 duty.

RESIDENTIAL ACCOMMODATION AND SHOPPING COMPLEX

Retention of staff, particularly teachers is a Herculean task. Making the accommodation available to staff is one of the important measures for the retention and stability of the competent, qualified and experienced staff. Recognizing this double necessity, the University has adequate residential houses in the campus for the teaching and non-teaching staff so as to keep them free from hassles of daily commuting so that they could concentrate their energies on their academic and office assignments and prove more productive for the University. The living accommodation on the campus is available for the asking. The houses have all sorts of amenities and facilities, and are well-furnished. Besides, a grocery shop, barber shop, fast food shops, vegetable shop, laundry etc. are located in the vicinity of the residential and hostel complexes to cater to residents' day-to-day requirements.

TRANSPORT SERVICES

Despite the location of the University in the National Capital Region at less than 5 km. from Delhi border (Daurala), it supports a fleet of 29 buses and other vehicles for the convenience of the students, the faculty and the staff. Ambulance for to and fro free transportation of patients to the University Hospital are also available. Signboards depicting the directions to the University have been put at all important and strategic locations to help visitors to reach the campus with ease.

LIFE AT SGT

LIFE BEYOND ACADEMICS

The University has excellent infrastructure for harnessing the potential of its students and promoting their interest in sports and culture. The indoor and outdoor sports facilities include gymnasium hall, football ground, cricket ground, basketball court, volleyball court, table-tennis hall, badminton hall, carrom-board, etc. Besides this, sports events like intra and inter-college tournaments are organized regularly and competent physical education faculty is available to train the students in sports of their interest. Celebration of festivals, the hallmark of our culture and heritage, form an integral part of the community life on the campus.

LIFE AT SGT

ALUMNI ASSOCIATION

To take a walk down the corridors of nostalgia, the third Alumni Meet of SGT University 'Alumni 2018' was held on 13th January 2018. The occasion was graced by more than 400 Alumni and their family members ranging across various batches of 9 faculties of the university from various parts of the country. It was a matter of great pride for the University that its Alumni are holding positions of responsibility in various Government organisations, PSUs, Private sector & Academic Institutions. Many of them are successful entrepreneurs providing jobs to others as well.

The Inaugural session was followed by cultural programme by our students. Great bonhomie was observed everywhere with old students reliving their old memories with their batch mates, seniors and juniors. Many of the current students were also seen interacting with their pass out seniors and learning from their experiences. In all, the ambience was electric with people seen chatting and dancing in groups. The key highlight of the day, was kite festival celebrating the essence of Lohri.

A new alumni association was elected by all members present. It was decided to strengthen the link between the current SGTians and alumni for their support to current students in the area of training, placement, career counseling and any other help. The Meet ended with promise to meet again and everyone bid emotional farewell to each other and their beloved SGTU.

General Rules

- No candidate shall be admitted to the course to which he/she is seeking admission unless he/she fulfills the eligibility conditions. Admission will be purely provisional subject to verification of the candidate's eligibility by the University as per laid down rules and regulations. In case, a candidate is found ineligible at a later stage, the provisional admission will be cancelled and the candidate will have no right for admission to the course or refund of fee paid by him/her.
- No candidate shall be admitted to any university examination unless he/she has been enrolled/registered as a student of the university. This condition may be relaxed in respect of students or scholars studying under University's Student Exchange Programme with any other University/Deemed University/Autonomous Institution.
- A candidate from other University shall be eligible for admission to this University only on the production of a Migration Certificate. However, the condition of production of Migration Certificate will not apply in case of students passing the equivalent examination from a foreign university recognized by UGC/MCI/DCI/any other Indian regulatory body.
- In case of a real hardship, a student may be admitted provisionally at his/her own risk and responsibility subject to the condition that he/she shall submit his/her Migration Certificate to the University up to 31st December of the admission year.
- If a candidate fails to submit the Migration Certificate even up to 31st December of admission year, he/she will not be allowed to appear in the annual examination. However, in a sheer hard case, the Vice-Chancellor may allow a candidate to appear in the examination provisionally on payment of a prescribed late fee and on submission of an affidavit from the First Class Magistrate to the effect that he/she is not appearing in any examination conducted by other University/Board simultaneously. If such a candidate fails to submit his/her Migration Certificate before the declaration of result, his/her result shall be withheld. However, in hard and deserving case, the Vice-Chancellor may allow the declaration of result on submission of Migration Certificate with a prescribed late fee within one year and with a prescribed late fee during the next two years of the declaration of main result.
- The student, who is not registered with the University, shall pay to the University, at the time of admission, through the University Department/Faculty which he/she joins, University enrolment-cum-eligibility fee and the continuation fee. In case of re-admission of a student whose name has been struck off from the rolls of the Department/Faculty, he/she shall pay the prescribed fee for making necessary entries in the University register. However, no further fee for registration will be charged.
- On registration, the student shall be issued the registration card by the Registration Branch through the respective HoD/Dean of Faculty in case of regular students, indicating the number under which his/her name has been entered in the register and that registration number shall be quoted in all correspondence with the University. In case of loss/misplacement, a duplicate copy of the registration card can be obtained by the student by making an application to this effect along with the prescribed fee.
- Application for correction in the particulars of a student shall be entertained by the Registration Branch within 30 days from the date of registration without any fee. Applications received after this period shall be entertained only with the prescribed late fee.
- Reservation policy shall be as per rules/Act.
- The registered student is entitled to get a certified copy of the entries under his/her name on prescribed payment subject to the condition that such entries are not confidential or secret.
- If a student remains absent from classes for a continuous period of seven working days without any valid reason, medical or otherwise, his/her name shall be struck off from the rolls of the University Department / constituent college concerned irrespective of the fact that he/she has paid his/her dues in part or full. However, the student may be re-admitted with the permission of the Dean of the Faculty concerned on the recommendation of Head of the Department on payment of such fee as prescribed for the purpose from time to time in addition to arrears of fee, if any; provided that the Head of the Department concerned is satisfied that if re-admitted, the student will not fall short of requisite percentage of attendance/lectures, etc.
- Each candidate shall submit the following affidavits/Declaration-cum-Undertaking in the format given in the Information Brochure:
 - Anti-Ragging undertaking by the student.
 - Anti-Ragging undertaking by the parent/guardian.
 - Declaration-cum-Undertaking (Agreement Bond) by the parent/guardian.

Important Hostel Rules and Regulations

- The students, admitted to the hostel, are assumed to be prudent persons, having sufficient maturity and understanding to live in an adult environment. Such living involves full respect for the rights of others, regard for self-discipline, high standard of honesty, and enviable moral conduct. These regulations have been framed not to restrict the conduct of individuals, but to ensure that a multitude of students should live and work harmoniously together with minimum of discord and misunderstanding.
- Hostel residence is optional for all categories of students.
 - Hostel accommodation (if available) will be provided to the students for a period equal to duration of the concerned courses. However if a student fails in the yearly end examination (two semesters) and not promoted to the next higher classes per the provision of the course ordinance, shall not be allowed to stay in the hostel under any circumstances.
 - Upgradation hostel is permitted, if available, subject to clearance of difference of charges.
 - Students seeking admission to the hostel shall apply separately on a prescribed form to the Chief Warden, SGT University through the Dean of the respective Faculty within 10 days of the admission to the 1st year/1st semester of the course. A copy of latest Medical Report should be attached to the Hostel Admission Form.
 - Each hostel resident shall carry two locks, one dustbin and a bucket with mug for his/her personal use. These items will not be provided by the University.
 - Hostel residents are not permitted to change their rooms without the permission of the Hostel Warden.
 - All hostel residents are expected to be in their rooms by the time fixed by Chief Warden/Hostel Warden. Those who are found out of room after the specified time will be marked absent. In case a room-mate is found absent after 10.00 P.M. without leave or prior intimation, the other room-mate shall report the matter immediately to the Hostel Warden/Chief Warden/some senior staff in the campus. If any student is found absent from the room during a surprise check at night, the room-mate will be considered to be in collusion with the absentee and will also be held responsible for not reporting the matter.
 - Hostel residents shall show their Identity Card if so required by any officer of the University at any time.
 - It is mandatory for all the hostel residents to take permission for leaving the hostel. On working days, no permission to leave the hostel will be granted unless the student has obtained written permission from the Head of Department/Dean. If any hostel resident provides false information about his/her night stay out of hostel, it will be considered as an act of indiscipline, which shall warrant penal action.
 - Every hostel resident entering hostel after leave/leaving hostel for outstation is essentially required to enter his/her time of entry/exit in the hostel register along with an application to the Hostel Warden.
 - To maintain harmony and cogent atmosphere, no religious ceremony or party shall be allowed to be held in the hostel. However, hostel residents may celebrate birthday with prior permission of the Hostel Warden and such a celebration/party should be over by 9.00 P.M.
 - Hostel residents are permitted to watch TV located in the Common Room of the hostel till 10.30 P.M.
 - Ragging and/or harassment of any kind to other students is strictly prohibited. Necessary disciplinary action shall be taken against the delinquents as per 'Prevention of Ragging' Rules of the University.
 - Use of drugs/any form of alcoholic drinks/tobacco in any form/any other intoxicant or possession of any kind of ammunition/weapon of assault/fire-arm or use of abusive language is strictly prohibited in the hostel and University campus. Those who are found involved in such activities will be expelled from the hostel immediately and matter will also be reported to District administration/police.
 - Association of any hostel resident with any unlawful organization is strictly prohibited. If any hostel resident is found/reported involved in such activities by the University or District administration/police, the concerned hostel resident will be expelled from the hostel.
 - Lights & fans should be switched off and water taps shut-off when these are not in use.
 - Use of electrical appliance of any kind except the room coolers during the summer months (April to September) is not permitted.
 - Consumption of 50 units per month / per students for non air conditioned rooms and 100 units per month / per students for air conditioned rooms subject to modification by competent authority from time to time. The charges exceeding the permissible limit will be shared by all the occupants on pro rata basis and charged monthly.
 - Misuse of mobile phones in any manner including MMS, activities amounting to cyber crime and viewing of objectionable websites in the campus is prohibited.
 - Washing of clothes in hostel is not permitted
 - Hanging of clothes in the balcony on week days is not permitted. However, the hostel residents may use the balcony on Saturdays/Sundays and holidays to dry the clothes.
 - In case of damage to any building, furniture or other hostel/university property, the cost of repair and/or replacement along with appropriate penalty/fine will be levied on the delinquent(s) found to be immediately responsible. But, if the delinquent(s) causing the damage is unidentifiable, the cost and penalty shall be recovered from all the residents of the hostel/block/room on pro rata basis.

22. Hostel residents are required to divulge the information about the medical problem/allergy towards any medicine immediately, if any.
 23. The hostel resident, suffering from a communicable disease or any other disease which requires constant medical attention, shall vacate the hostel unconditionally immediately on having knowledge of disease/ailment.
 24. In case of any emergency/hospitalization, the University will contact the parents/local guardian of the hostel resident to take their advice. In case, due to any reason, the parent/guardian could not be contacted, then the decision taken by the University will be final and acceptable to the parents/guardian. All expenses incurred on resident's treatment will be borne by the parents/guardian.
 25. If the hostel resident is not feeling well, he/she should seek medical help at the appropriate time. However, in case of emergency necessary help will be provided by the University on the request of the hostel resident to reach the hospital.
 26. The students may be allowed to keep their vehicles in campus. However, they will park their vehicles in the General Parking Area. Parking of vehicles in the Hostels will not be allowed.
 27. Request for room allocation with specific location or partners cannot be assured. Nevertheless, efforts will be made to meet the desired request. If required by the University, the hostel resident may be asked to shift to another room.
 28. Hostel residents are advised not to keep valuables with them in the room. Such items, if any, should be locked in their respective cupboards all the time. The University shall not be responsible for the loss of such personal belongings.
 29. Each hostel resident shall be responsible for the furniture and the electrical fittings provided in his/her room. He/she should get his/her room checked for furniture/fittings & fixtures etc. at the time of allotment and hand over the charge of the same along with the room key while vacating the room to the Warden/Caretaker.
 30. While vacating the room, the resident must ensure that bills of all services availed by him/her are duly paid for speedy settlement of caution money. Submission of "No Dues Certificate" on the prescribed form is essential.

PREVENTION OF SEXUAL HARASSMENT AND EVE TEASING

The University has 'zero tolerance' policy for any act of sexual harassment. A standing committee for prevention of sexual harassment and eve teasing has been constituted to look into any complaint in this regard.

1. Constitution of Internal Complaints Committee on Sexual Harassment and Eve Teasing

In compliance to the 'The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013', the SGT University has constituted an Internal Complaints Committee on Sexual Harassment and Eve Teasing as per provisions of this Act for the effective enforcement of the basic human right of gender equality and guarantee against sexual harassment and abuse, more particularly against sexual harassment at work place.

2. Objectives of the Committee

The objectives of the Committee are:

- i) to prevent discrimination and sexual harassment against women, by promoting gender equality among students and employees;
- ii) to make recommendations to the University authorities for changes/elaborations in the Rules and Regulations for the students and the staff to make them gender just and to lay down procedures for the prohibition, resolution, settlement and prosecution for acts of discrimination and sexual harassment against women, by the students and the employees;
- iii) to deal with the cases of discrimination and sexual harassment against women, in a time bound manner, aiming at ensuring support services to the victimized and termination of the harassment;
- iv) to recommend appropriate punitive action against the guilty party to the university authorities.

3. Procedure for Approaching the Committee

An aggrieved woman shall make, in writing, a complaint to the Internal Complaints Committee within a period of three months from the date of incident and in case of series of incidents within a period of three months from the date of last incident. The written complaint may be addressed by the victim or a third party to the Convener of the Internal Complaints Committee. If the complaint is made to the Head of the Department/ Dean of the Faculty, or any Committee Member or any other Officer of the University, the same shall be forwarded to the Convener of the Committee. The Committee shall deal with all the complaints of sexual harassment relating to students, staff and faculty studying/working at the SGT University in consonance with the provisions of the Act.

4. The following acts shall be deemed as "unwelcome" sexually determined behaviour (whether directly or by implication):

- i) Physical contact and advances.
