

Report on the present status of automation of examination

Present Status of Automation in Examination Department at SGT University, Gurugram:

The major Examination processes have been incorporated in SGT University with an 'ERP Software' (commonly referred as ERP).

A brief list of all the processes incorporated in ERP is given below-

1. Defining Scheme of Examination and Evaluation (Course details/Passing Criteria/ Grades/ Provision of Grace marks/ etc.) during commencement of academic session
2. 'Examination forms' submission by students
3. Examination Date sheet (Theory/ Practical) uploading
4. Students Eligibility declaration by Deans. (debarring/ detaining students)
5. Students take print of their Admit Cards.
6. Attendance sheets (Signature Charts) generation
7. Internal Marks uploading by Faculty members
8. Practical Exam marks uploading by Faculty members
9. Steps- Result processing of Theory Exam with ERP
 - a. Marking of Appearance in Exam
 - b. Creating/ Assigning Examiners for marks entry
 - c. Coding of Answer sheets
 - d. Notification of marks entry to Controller of Examination
 - e. Confidential Tabulation of Marks Records Generation
 - f. Awarding Grace marks
 - g. Result Statistics generation for Result Moderation Committee
 - h. Declaration of Result
 - i. Gazette generation for result publication
 - j. Detailed mark sheets generation
 - k. Other essential documents/ reports generations (e.g., Provisional certificates, other reports for departmental use)
10. Soft copy of result available at ERP for students through their Students' IDs.

Apart from SGT -ERP, following additional software were also being used from time to time

- i. HireMee Software- This software was being used for Online examination (Proctor based) and assessment and result processing during Covid period.
- ii. KuTool- This Extended advance feature of Excel was hired and is being used for accomplishing complicated and complex tasks easily.
- iii. Yomark- yomark software is/was being used for OMR sheets evaluation.
