Subject – Application for Grant of Study Leave for fellowship course

Respected Sir,

With humble submission, myself Dr. Bishnupriya Sahoo, currently working in the Department of Pediatrics of your Institute since 2014. I am always actively involved in the academics and research in addition to the clinical work. Because of which, I feel glad to share that, myself has been selected for one year fellowship course on Pediatric gastroenterology, hepatology and liver transplant at Apollo Indraprastha, New Delhi for the year 2021-22. The fellowship course is of 1 year duration and is going to start from 1<sup>st</sup> September 2021 as ISPGHAN Fellowship under Indian Society for Pediatrics Gastroenterology, Hepatology and Nutrition.

At present with good number of under graduate and post graduate students and increasing number of patients, upgradation of existing knowledge and adoption of latest development into our practice is an unmet need. I hope my training in the area of gastroenterology, hepatology and liver transplant in pediatrics will immensely help in better patient care, teaching, may open the avenue for newer futuristic speciality and in long term can be of help to our institute in a bigger way.

So its my sincere request to consider and permit study leave from 1<sup>st</sup> September 2021 for a period of twelve calendar months for the pursuance of the above-mentioned fellowship course.

Anticipating an early and favourable response

Thanking You

With regards

Bishnupriya Sahoo
