## CAREER COUNSELLING GEM FRANCE 2022

International experience has moved from a nice to have, to almost a **"must- have"** on your CV. An employer will look at your CV and know that if you've lived overseas, you will be independent, brave, open-minded, and culturally aware. You also need the soft skills that employers are looking for like good communication skills and how you adapt yourselves when living in different culture. Keeping this in mind SGT University FHTM always encourages its students for going for international trainings and placements and gives opportunities to its students by organising webinars, seminars on international placements.

FHTM organised a Seminar for Students by GEMS France where Mr. Fredrick Managing Director GEMS (**Global Education Management Ltd** and Ms. **Sunita Kapoor Entrepreneur (GEMS)** presented a Seminar on the Topic International Training and Placement Opportunities for Indian Students abroad. They gave an insight how training abroad in countries like France, Australia, Japan and US will help in getting better jobs. They shared student's experiences as well, and FHTM students who have already gone to France for an internship also shared their experience with the students who will be flying In January to France
