### **Brief Report:**

Faculty of Engineering and Technology organized an Industrial visit to Panasonic, Jhajjar on 7<sup>th</sup> March, 2019. Mr. Pankaj Jain, Mr. Rambir Joon and Mr. Shivender Singh accompanied the students of ECE 6<sup>th</sup>, EEE 4<sup>th</sup>, CSE 4<sup>th</sup> and Mechanical 6<sup>th</sup> semester students. The visit included a briefing session of half an hour taken by Mr. Amrit Yoga and Mr. Aman Kandri from Panasonic. The briefing was followed by visiting the manufacturing units of Electronics Appliance, Transformer and Welding. It was very fruitful for the students as it was totally based on exposure to practical work done there.

Panasonic offers a wide range of products and services, including air conditioners, refrigerators, washing machines, compressors, lighting, televisions, personal computers, mobile phones, audio equipment, cameras, broadcasting equipment, projectors etc. Students visited manufacturing unit where soldering and brazing operations are used for joining the metals. Students learnt about the

sheet metal operations and how extrusion is carried out practically. They gained the practical exposure and working culture of the industry.
