Report of the Webinar/ Event / FDP Program:

The Biotechnea Club organized a Quiz competition on 4th October 2019 on the topic “**Biotechnology and Biochemistry technology advancements**” under the guidance of our mentor and support of the members.

Approx. **30 students from different faculties** registered in this competition. The registered faculties included **Faculty of Allied health sciences, Faculty of Physical sciences and Faculty of Agricultural sciences, Faculty of medicine and health sciences and many more**. There were 10 teams and each team had three members. The members could be from different faculty which helped the students from different faculties to come together and participate.

This quiz encouraged the students to connect and reach students of different faculty and made them aware about current affairs of biotechnology and other disciplines too. Rules of the quiz were explained at the beginning. There were **four rounds** in the quiz.

Budhera, Gurugram-Badli Road, Gurugram (Haryana) – 122505 Ph. : 0124-2278183, 2278184, 2278185

- **FIRST ROUND:** Questions related to biochemistry
- **SECOND ROUND:** Question related to biotechnology
- **THIRD ROUND:** Visual round
- **FOURTH ROUND:** Rapid fire (included questions about current affairs and general knowledge)

Almost all the students showed their brilliance by rapidly answering the questions and also came across some questions which enhanced their knowledge.

The team that scored the most was the team from the Faculty of Physical sciences, and second was Faculty of Agricultural sciences.

The winning team was awarded with appreciation prizes and certification was provided to every team. As for future advancement in this activity we aim to make it more interdisciplinary and reach out more students not just from college but also from different universities. So, we can prepare and help our members to compete with all types of hurdles. About 30 student participated in the event.
