at 6:30PM IST onwards. The lecture series was relayed from Bicon Headquarters in USA with eminent speakers- Dr. Vincent J Morgan, Dr. Laura Murcko, Dr. Shadi Dather.

A total of 53 participants from all over India took part in the first day lecture. On day one of lecture series Dr. Vincent Morgan introduced Bicon implants and Trinia material to the audiences, stating its uniqueness and its properties. Followed by this, Dr. Laura Murcko talked about the use of Bicon implants in Adolescent patients and discussed various cases to enlighten the audience with the excellent work done by them. On 2nd day of series 51 participants attended the lecture by Dr. Shadi Dather. He introduced the Bicon drill system and surgical steps for implant placement. The session ended with doubt clearing session. The last day of lecture series was also headed by Dr. Shadi Dather where he showed surgeries of implant placements and various other cases were discussed. The session ended with doubt clearing session. Total of 50 participants joined for this lecture on 26th march 2021.

A culminated gathering was seen on 2nd April 2021 which included dental college HODs, faculty members, postgraduates and registered participants which included interns and private practitioners for the live surgery and workshop. The program started with the blessings of almighty and a welcome note. The inaugural speech was delivered by Dr. Sharif Ahmed, Pro-Vice Chancellor (Research),SGT University. The Dignitaries were facilitated with certificate of appreciation and a memento. This was followed by high tea. The workshop was initiated by Dr. Goli Srinivas Reddy, with introduction to the bicon implant kit. This was further intensified with live surgery which was performed by Dr. Srinivas Reddy and Dr. Ashievanghuie Deboo. The event culminated with enthusiastic 21 participation in hands-on. Day 2 of the program i.e 3rd April 2021, started with the placement of 10 bicon implants in the patients by 10 participants under guidance of Dr. Srinivas Reddy and Dr. Ashievanghuie Deboo. The event concluded with enthusiastic participation throughout the program by faculty and the participants.

Future Directions

As per the discussion of Dr. Sharif Ahmed, PVC(Research), SGTU with Dr. S G Reddy, Bicon Implants, it was suggested that some fellowship or observer ship programmes must be conducted in future so that our students will get maximum benefits of this International collaboration.
