Brief Profile of Speaker:N/A

Organizers:Ms. Preeti Kuhar, Mr. Neeraj Verma , Civil engineering department

Report of the Webinar/ Event / FDP Program:

a) Introduction:

National Rail Museum in Chanakyapuri, Delhi, is such an engineering monumental gem that tells the stories of Engineering and Scientific strive for excellence for the ease of movement and connectivity across this vast and diverse country with varying geography.

b) **Objective of the webinar/ Event / FDP:**To educate our students about the history of Indian Railway. As the Civil and Mechanical Engineering Infrastructure are the largest infrastructure components of Indian Railway therefore the civil and mechanical engineers play key role in the development, maintenance and technological leap of track, bridges, stations, high speed locomotive etc.

c) **Brief content of lecture-**This was very fruitful visit for our students which provide them an opportunity to understand the various aspect of Indian railways and important role play by their department with the help of indoor and outdoor exhibits. The star attraction of the visit were Fairy Queen consider to be the best preserved steam locomotive of her age, currently developing Ahmadabad – Mumbai high speed train model and toy train ride.

d) **Screenshots of Webinar/ Picture of Event:** Good quality picture with legends is mandatory
