Brief Report:

Corporate Resource Center & Mechanical Engineering Department organized a career orientation session on ‘**Skyborne Indigo Cadet Pilot Programme**’, for students of Faculty of Engineering & Technology and Faculty of Science on 20th Feb 2020. **Ms. Althea Paul (Chief Representative-Asia Pacific, Skyborne Aviation**

Limited, Skypark Flight Center, Gloucestershire Airport, Cheltenham, U.K.)

assisted by Ms. Ekta Chawla (Skyborne Aviation Limited) explained students about diverse career opportunities in the field of Aviation all round the globe. The session was centered around the Cadet Pilot Programme taken by Indigo Airways in collaboration with Skyborne Aviation Limited. The 18 month program will enable selected candidates to train for a US FAA and Indian DGCA Commercial Pilots License and Airbus A320 Type rating, before advancing into employment and flying the line as a First Officer with India's leading airline. Students were intrigued to know more about this direction of career and personally met the Skyborne officials after the session got over.

Learning Outcome: Students got to know about the 18 month program for the selected candidates to train for a US FAA and Indian DGCA Commercial Pilots License and Airbus A320 Type rating, before advancing into employment and flying the line as a First Officer with India's leading airline.
