Brief Report:

Over 24 teams from different universities stepped away from their projects on August 6th, to take part in a groundbreaking new event. “Global Accelerator 2019” was just a glimmer in the Startup world. Mark and Elizabeth were the featured speakers, inspiring students to find a startup they were passionate about and make their chosen careers more than just a job. Mark shared his experience of starting a business after going the extra mile to discover what the customers really wanted, and

Elizabeth encouraged the attendees to challenge themselves to a higher standard of work. Each team presented their idea with full devotion and so we did that, it was amazing to hear that wonderful start up ideas that were tantalizing. Also there was pitching of idea in one minute to each guest of honor. At the end, top 3 teams were selected.

We are motivated to do more than just get the job done; we want to solve a problem that we would be passionate about as a consumer.” With the motivation from successful advertisers, a chance to interact with key industry leaders, it was truly a event to remember.
