Brief Report of the programme:

Faculty of Engineering & Technology, Computer Science and Engineering Department, SGT University, Gurugram is organizing an insightful Webinar on "Career Opportunities and Professional Development" to give a direction to students and their expectations in selecting the right career path, finding jobs, and how to develop themselves professionally amid in this pandemic situation.

Mr. Mohit guided and motivated the students to create video resumes, LinkedIn profiles, and GitHub profiles to improve their professional skills. He also explained how students can prove their technical skills by opting for online courses and certifications. The students were motivated to work towards their dream company, learned how they can apply for a job in big brands confidently.

It was a very informative session for the students and students participated with a lot of zeal and enthusiasm.

The faculty of Engineering and Technology is looking forward to more such webinars in near future.
