Brief content of lecture-

Moderator:- Ms. Ananya G , Student Representative,Department of Forensic Science,
Faculty of Science, SGT University, Gurugram, India.

The lecture was started on 30th march 2022 at 11.00 am with the inaugural session. Session was introduced by Ananya G, Student Representative, Department of Forensic Science, SGT University, Gurugram. The program was intended to introduce the role and importance of Forensic medicine in crime scene investigation.

In his talk, he briefly covered the different aspects related to crime scene investigation by telling us about methods they use to solve a crime, about the manner and cause of death. Also, he covered the concepts and information regarding the importance and role of forensic medicine in crime scene investigation. He also enlightened us with the Postmortem and medico legal reports. Significance of Forensic toxicology and Forensic thanatology was discussed. Basic protocol for crime scene processing was explained to the students.
