SHREE GURU GOBIND SINGH TRICENTENARY UNIVERSITY

(UGC Approved University)

GURGAON, Delhi-NCR

Faculty of Engineering & Technology

Department of Civil Engineering

Under the aegis of MOU between “SGTU & Hero Moto Corp”

organizes

One-Day Workshop: “Traffic Control Devices and Our Duties”

Type of Event: Workshop

Date: 27th April 2022

Venue: Room No. 308, E-Block,

Time: 02.00 PM to 03:00 PM

Organizer:

Dr. Neeraj Saini, HOD & Assistant Professor, Department of Civil Engineering, FEAT

Mr. Satyam Garg, Assistant Professor, Department of Civil Engineering, FEAT

Objectives:

In the session, the speakers will be focused on sharing information related to safety guidelines, and preventive measures that each student must follow while driving two-wheelers. The session will aware the students of the emergency contact numbers and alerts them about road accident status in the country. The aim of this workshop is to provide road safety information for road users to encourage safer road user behaviour among current and prospective road users and reduce road accidents.

About the Speaker/Guest:

Mr. Sunil Malhotra & Safety Team Members of Hero Motocorp Ltd. He has 30 years of working experience in the Automobile Industry including 10 years in Road Safety.

Audiences:

Above 40 students (CE/ ME/ CSE) and faculty members from FEAT, SGT University.

1. MOHIT PAHAL
2. DEEKSHA SINGH
3. KRISHNA
4. FAIYAZ ANSARI
5. PAWAN KUMAR
6. VAIBHAV SAINI
7. DIVYAJEET BISWAL
8. RAGHAV SEHRAWAT
9. TABISH NAEEM
10. SHUBHAM
11. GOVIND
12. SHIVAM SINGH DRALL
13. BHARAT SHARMA
14. SALONI
15. RITESH DESHWAL
16. SHIVAM PANDEY
17. JITENDRA SINGH YADAV
18. KARTIKAY
19. CHIRAG VASHIST
20. VANSHIKA
21. RAJAT SINGH
22. KARTIK CHAWLA

23. MAYANK
24. VISHAL SINGH
25. ASHISH
26. ASHWANI KUMAR
27. ARYAN SOLANKI
28. AAKASH
29. KARAMMANI SINGH
30. HIMANI
31. HARSHIT
32. BIJENDER
33. AYUSH BHATT
34. VISHWAJEET SINGH
35. VANDITA NANDAL
36. ELLENA LIYAS
37. NAVEEN
38. ADITYA
39. ADITYA RAJ
40. SAGAR

A handwritten signature in black ink, appearing to read 'Reem', is written over a horizontal line. The signature is slanted to the right.

Brief Report:

Road safety is of prime importance as road accidents are among the biggest causes of death in the country. Road safety entails the protection of all road users. Accident hazards on the road include dangers to the driver, passengers, and other road users while both business and leisure driving. The majority of today's traffic accidents are caused by either a lack of awareness of traffic guidelines or a disregard for traffic guidelines. Keeping all these aspects in mind, the **Department of Civil Engineering, FEAT, SGTU organized a One-day Workshop on 'Traffic Control Devices and Our Duties', on 27 April 2022 at Room No. 308, E-Block, SGT University.** The discussion began with a quick overview of the present state of road accident-related mortality in India. With the use of brief videos, the speaker introduced the audience to the language of roads, i.e. traffic

lights, in a very participatory way. Along with the protective gear, the need of wearing a helmet was also emphasized. There was also a brief discussion on pre-ride checks and riding posture in two-wheeler riding. A discussion on safe following distance (2-second rule) was held at the end of the session.

Learning Outcomes: This session educated the students and faculty members about the different types of safety equipment's, driving rules and principles, and how to act in the event of a road accident. The listeners understand the 2-second rule and the significance of the ISI mark helmets.
