Report of the Webinar/ Event / FDP Program:

a) Introduction:

A webinar was organized by Dr. Khushboo Chandra under Agro club association of Faculty of Agricultural Sciences, SGT University on topic **‘JOBS AND CAREER OPPORTUNITIES FOR GRADUATES IN AGRICULTURAL SCIENCES: NATIONAL AND GLOBAL PERSPECTIVES’** by Key Speaker Dr. R. H. Patil, Professor & Head, Dept. of Agricultural Meteorology, UAS Dharwad, Karnataka on 6th of April 2022 at 11:30 am onwards. There were 110 participants from different sections like Undergraduates, Post graduates, PhD scholars and faculty members. The brief Introduction about speaker was delivered by Prof. R.S.Yadav.

Dr. R.H.Patil on the whole during his session pointed out some of specific and important points like B.Sc. (Agriculture) is a Professional Course and it assumed prime importance in a country like India which once was predominantly an agrarian nation, and still is as little over half of the Indian population is directly involved or employed in farming based activities. With the Indian population crossing 1.4 billion and the global population soon reaching 8.0 billion there is an ever increasing pressure on farm land to produce more. This requires innovations in the field of Agricultural Sciences and it requires a strong and knowledge oriented agricultural scientists.

Hence, Higher Education in the field of Agricultural Sciences assumes greater importance in decades to come. In this background our graduates and post graduate students must explore and find opportunities to get employed by nationally and global institutions involved in R&D. Apart from this our graduates also need to explore non R&D fields like banking, policy making agencies, NGOs, Cooperatives and many other charitable bodies across the world.

He also explained uniqueness in Agriculture, different facets with attracts job opportunities in agriculture and outlined various sectors where agri-graduate has ample of job options. He suggested students to set priorities whether after graduation you switch to job or higher studies as Job scope / career opportunities vary from BSc to MSc / MBA to PhD. He also brief about several agricultural institution in India. He also suggested difference between generic and specific employers and job opportunities in India and abroad. He also explained about different cultures and behaviour to be opted by students while opted any job and education internationally. Several queries of participants were satisfied by speaker and Vote of thanks was given by Dr. Khushboo Chandra. A total 50 students participated in the event.
