The Student Attributes Facilitated by the Institution

SGT University in Gurugram, which has a reputation for quality in higher education, is one of the best institutions in the region. It is aware of its responsibility as an educational institution to mould the nation's future generations so that they can do their part to strengthen the country. By giving young people access to a wide range of resources and opportunities to succeed in a wide range of subjects, the institution has been impacting and shaping their future. In order to provide systematic and structured training and conduct a variety of activities for the students enrolled in the institution, SGT has understood and identified areas like discipline, relationship building, a sense of responsibility, thirst for knowledge, hard work with honesty, love of country, commitment to the society, participation in cultural activities, and learning to work as a team, among others. To support academic activities, the institution has created a superb and extremely rich physical and academic infrastructure. Our institution is renowned for developing and empowering students from a variety of backgrounds, from privileged to less fortunate. By giving the pupils the freedom to forge their own pathways, it develops their potential. Through a variety of methods for empowering and developing competence, it helps students realize their potential and grow in their sense of self. Additionally, it has created a number of platforms for students to succeed and show off their untapped potential. Among them are:

- **Prabandhan-Central Student Council**
- **Community Action Group (CAG)**
- **NCC/NSS Unit**
- **Student associations**
- **ACIC/ IIC Centre**

- **Prabandhan:** The student's council works to execute the events, festivals, seminars, workshops concerts, conventions and annual fests through meticulous planning. Event clubs involve studying the concepts and themes of the event, identifying its target audience and coordinating the technical aspects followed by mock drills before actually launching the event. The process of planning and coordinating the event also includes budgeting, arrangement, site selection, acquiring necessary permits, coordinating transportation and parking, arranging for speakers or entertainers, arranging decor, event security, catering, coordinating with third-party vendors, and emergency plans. Each event is different in its nature so the process of planning & execution of each event differs from one to another. Events build social and business relationships and give their members the opportunity to meet and interact with different members.
- **Community Action Group (CAG):** To educate students about various social issues, such as female feticide, women's empowerment, legal guidance, cyber frauds, cleanliness, atrocities on women, and plastic and its hazards, AIDS awareness, waste management, hazards of e-waste, importance of rainwater harvesting and resource conservation, etc., CAG takes its students out into the community. The University strives to uplift the dignity of the socially disadvantaged, marginalized and underprivileged with empathy and sense of service.
- **NCC & NSS** are the two units where in they learn discipline and paramilitary training and also work hard for the security of our beloved country. NSS also teach as the lessons of cleanliness and contribution of services to the society.
- **Student academic associations:** It is an academic association with in the departments that connects students with academicians and industry of their fields. It helps in getting in touch with latest advancements and techniques in their fields as well as give an opportunity think and act in a different way.

- **ACIC/ IIC Centre :** We believe that hard work, commitment, and dedication result in excellence in all spheres of life. The management, faculty and administration set high benchmarks of academic and excellence and provide innovative, student-centered, globally competent process and services for the success of every student.

Through various cultural events, student life becomes interesting and successful. Cultural events strengthen creative skills, confidence and overall personality of students. Through cultural events, one to two students every year follow choreography, as a career. Through sports activities, about six to eight students work successfully as coaches of various sports like fencing, volley ball etc. Through N.S.S. and sports activities many students have joined the police department. Due to our focused efforts many of the students have established their own businesses. Every year a dozen of students join the law programmes in reputed institutions of law and thereafter join the judiciary.

Students have also opportunities to improve their leadership and interpersonal skills while increasing their self-confidence. Extracurricular involvement allows students to link academic knowledge with practical experience thereby leading to a better understanding of their own abilities, talent sand career goals.

The Campus will continue to maintain this momentum further in future in all its endeavors and activities.
