भारतीय दन्त परिषद
DENTAL COUNCIL OF INDIA
(CONSTITUTED UNDER THE DENTISTS ACT 1948)

No. DE-114-MDS-2019/ 6511

Dated the 2nd November, 2019

To

1. The Principal of all the dental institutions in the country
2. The Registrar of all the universities affiliated to the DCI's recognised/approved dental institutions

Sub: MDS Exam Pattern -reg.

*Forwarded to Dean,
Faculty of Dental Science
for N/A PL 4.6.19
9.12.2019*

Sir/Madam,

I am directed to say that the DCI has received various emails/letters with regard to clarify the distribution of marks for the speciality of Prothodontics and Crown & Bridge after issuing circular No. DE-87(3)M2-2019/4345 dated 2.9.2019 with regard to the 3rd amendment notified on 2.9.2019 in the MDS Course Regulations. Accordingly, the Executive Committee of the DCI in its meeting held on 20.11.2019 has after taking into note of the above and after some discussion and deliberation decided as under:-

All the dental institutions and affiliating universities be requested to follow the provisions prescribed for distribution of marks for speciality of Prosthodontics and Crown & Bridge in the principal DCI MDS Course Regulations, 2017 at clause (g) of section 18 of Part-V under the heading 'Examination' and ignore the said provisions notified in the 3rd amendment notified on 2.9.2019 in the MDS Course Regulations since due to some clerical mistake and the same was inadvertently oversight.

The above decision of the Executive Committee is communicated for information and necessary action

Yours faithfully,

(Dr. Sahyasachi Saha)
Secretary
Dental Council of India

Registrar

Budhera, Gurugram

Registrar

Faculty of Dental Sciences

Agenda Item No. 1

To consider and approve the implementation of "Dental Council of India, Master of Dental Surgery (MDS) Course (3rd Amendment) Regulations, 2019" – regarding inclusion of detailed course curriculum of nine specialities in "Master of Dental Surgery (MDS) Course Ordinance-2018" of Faculty of Dental Sciences.

Note: The existing "MDS Course Ordinance, 2018" (placed as Annexure 1/1) was formulated in accordance with the "DCI MDS Course Regulations- 2017" and is applicable for the MDS students admitted in 2018 and onwards.

Dental Council of India, the regulatory body of MDS course has included the details course curriculum in the nine specialities in its Master of Dental Surgery (MDS) Course (3rd Amendment) Regulations, 2019" (placed as Annexure 1/2).

Accordingly, the proposed inclusion of detailed course curriculum (placed as Annexure 1/2) in the existing MDS Course Ordinance 2018, considered and approved by the Vice Chancellor on 17th October 2019 (placed as Annexure 1/3), is submitted to be placed before the Academic Council; hence the above item

Registrar
SGT University
Budhera, Gurugram

Faculty of Dental Sciences

SGTU/FDS/23/ 487

Dated: 14.10.2019

Subject: Implementation of "Dental Council of India, Master of Dental Surgery (MDS) Course (3rd Amendment) Regulations, 2019" – regarding inclusion of detailed course curriculum of various specialities in MDS Course Regulations, 2017

Please refer to:-

- (a) Dental Council of India letter DE-87(3)M2-2019/4345 dated 02nd September 2019 alongwith its attachments, placed below at PUC.
- (b) Approval of the "Master of Dental Surgery (MDS) Course Ordinance – 2018" in accordance with the DCI, MDS Course Regulations, 2017 by the competent authority vide Office of the Registrar letter No. SGTU/Acad./18/2018/628 dated 24th July 2018, placed below at Flag-A (Colly.)

It is submitted that the existing 'MDS Course Ordinance 2018', prepared in accordance with the DCI, MDS Course Regulations, 2017 does not have the detailed course curriculum of various specialities, which has now been included in the DCI, MDS Course Regulations 2019.

Accordingly, the detailed syllabus for all the 09 specialities of Faculty of Dental Sciences, annexed as SCHEDULE-IX to the MDS Course Regulations 2019, is required to be included in the 'MDS Course Ordinance 2018', after approval of the competent authority of SGT University.

Submitted please.

MASTER OF DENTAL SURGERY (MDS) COURSE ORDINANCE

1. Short title and commencement

- (1) These regulations may be called the "**Revised MDS Course Ordinance 2018**" and they shall commence after approval from appropriate SGT University authorities.

2. Scope of the Ordinance:

This Ordinance will be applicable to the following MDS specialities, for the **post-graduate course to be followed by the university / institute detailed as under:-**

(i) Prosthodontics and Crown & Bridge:

Prosthodontics and Crown & Bridge is a branch of dental art and science pertaining to the restoration and maintenance of oral function, health, comfort and appearance by the replacement of missing or lost natural teeth and associated tissues either by fixed or removable artificial substitutes.

(ii) Periodontology:

Periodontology is the science dealing with the health and diseases of the investing and supporting structures of the teeth and oral mucous membrane.

(iii) Oral & Maxillofacial Surgery:

Oral and Maxillofacial surgery deals with the diagnosis and surgical and adjunctive treatment of diseases, injuries and defects of the human jaws and associated oral and facial structures.

(iv) Conservative Dentistry and Endodontics:

Conservative dentistry deals with prevention and treatment of the diseases and injuries of the hard tissues and the pulp of the tooth and associated periapical lesions, alongwith restoration of those teeth to normal form function and aesthetics.

(v) Orthodontics and Dentofacial Orthopedics:

Orthodontics and Dentofacial Orthopedics deals with prevention and correction of oral anomalies and malocclusion and the harmonizing of the structures involved, so that the dental mechanisms function in a normal way.

(vi) Oral & Maxillofacial Pathology and Oral Microbiology

Oral & Maxillofacial Pathology and Oral Microbiology deals with the nature of oral diseases, their causes, processes and effects. It relates the clinical manifestation of oral diseases to the physiologic and anatomic changes associated with these diseases.

(vii) Public Health Dentistry

Public Health Dentistry is the science and art of preventing and controlling dental diseases and promoting dental health through organized community efforts.

(viii) Pediatric and Preventive Dentistry

Pediatric and Preventive Dentistry deals with prevention and treatment of oral and dental ailments that may occur during childhood.

(ix) Oral Medicine and Radiology

Oral Medicine is a speciality of dentistry concerned with the basic diagnostic procedures and techniques useful in recognizing the diseases of the oral tissues of local and constitutional origin and their medical management. Radiology is a science dealing with x-rays and their uses in diagnosis and treatment of diseases in relation to orofacial diseases.

3. GOALS AND OBJECTIVES OF THE CURRICULUM

(i) GOALS.—

The goals of the post-graduate training in various specialities is to train the graduate in Dental Surgery who will,

- (i) practice respective speciality efficiently and effectively, backed by scientific knowledge and skill;
- (ii) exercise empathy and a caring attitude and maintain high ethical standards;
- (iii) continue to evince keen interest in professional education in the speciality and allied specialities whether in teaching or practice;
- (iv) willing to share the knowledge and skills with any learner, junior or a colleague;
- (v) to develop the faculty for critical analysis and evaluation of various concepts and views and to adopt the most rational approach.

Dean
Faculty of Dental Sciences
SGT University
Budhera, Gurgaon

Registrar
SGT University
Budhera, Gurugram

(ii) OBJECTIVES.

The objective of the post-graduate training is to train a student so as to ensure higher competence in both general and special area of interest and prepare him or her for a career in teaching, research and speciality practice. A student must achieve a high degree of clinical proficiency in the subject and develop competence in research and its methodology in the concerned field.

The objectives to be achieved by the candidate on completion of the course may be classified as under:-

- (a) Knowledge (Cognitive domain)
- (b) Skills (Psycho motor domain)
- (c) Human values, ethical practice and communication abilities

(a). KNOWLEDGE.—

- (i) demonstrate understanding of basic sciences relevant to speciality;
- (ii) describe etiology, pathophysiology, principles of diagnosis and management of common problems within the speciality in adults and children;
- (iii) identify social, economic, environmental and emotional determinants in a given case and take them into account for planned treatment;
- (iv) recognize conditions that may be outside the area of speciality or competence and to refer them to the concerned specialist;
- (v) update knowledge by self study and by attending courses, conferences and seminars pertaining to speciality;
- (vi) undertake audit, use information technology and carry out research in both basic and clinical with the aim of publishing or presenting the work at various scientific gathering;

(b) SKILLS:

- (i) take a proper clinical history, examine the patient, perform essential diagnostic procedures and order relevant tests and interpret them to come to a reasonable diagnosis about the condition;

- (ii) acquire adequate skills and competence in performing various procedures as required in the speciality.

(c) **HUMAN VALUES, ETHICAL PRACTICE AND COMMUNICATION ABILITIES.**

- (i) adopt ethical principles in all aspects of practice;
- (ii) foster professional honesty and integrity;
- (iii) deliver patient care irrespective of social status, caste, creed, or religion of the patient;
- (iv) develop communication skills, to explain various options available and obtain a true informed consent from the patient;
- (v) provide leadership and get the best out of his team in a congenial working atmosphere;
- (vi) apply high moral and ethical standards while carrying out human or animal research;
- (vii) be humble and accept the limitations in his knowledge and skill and to ask for help from colleagues when needed;
- (viii) respect patient's rights and privileges including patient's right to information and right to seek a second opinion.

4. Admission to the Course:

Admission to the nine MDS specialities listed under Clause 2 above shall be made on the terms and conditions as prescribed by the Govt. of India through Dental Council of India, as amended from time to time.

5. Course fee:

Course fee shall be paid in accordance with the directions of the competent authority of SGT University

6. Eligibility for Admission:

A candidate for admission to the Master in Dental Surgery course, must possess a recognized degree of Bachelor in Dental Surgery awarded by a university or institute in India and registered with the State Dental Council and has obtained provisional or permanent registration and has undergone compulsory rotatory internship of a year in an approved/recognized dental college:

Provided that in the case of a foreign national, the following procedure shall be followed:—

The Dental Council of India may, on payment of the prescribed fee for registration, grant temporary registration for the duration of the post-graduate training restricted to the dental college / institution to which he or she is admitted for the time being exclusively for post-graduate studies:

Provided further that temporary registration to such foreign national shall be subject to the condition that such person is duly registered as medical practitioner in his/her own country from which he/she has obtained his/her basics dental qualification and that his/her degree is recognized by the corresponding state dental council or concerned authority.

7. Selection of Candidates for Admission to MDS Courses:

There shall be a uniform National Eligibility –Cum- Entrance Test (NEET) for admission to the post-graduate dental courses in each academic year conducted in the manner, as prescribed by the National Board of Examination or any other authority appointed by the Central Government in this behalf. The overall superintendence, direction and control of the NEET shall vest with the Council.

8. QUALIFYING CRITERIA FOR ADMISSION TO POST-GRADUATE COURSES.—

- (1) The candidate has to secure the following category-wise minimum percentile in NEET for admission to post-graduate courses held in a particular academic year.

General	50 th Percentile
Person with locomotory disability of lower limbs	45 th Percentile
Scheduled Castes, Scheduled Tribes, Other Backward Classes	40 th Percentile

Provided that the percentile shall be determined on the basis of highest marks secured in the All-India common merit list in NEET for post- graduate courses:

Provided further, that when sufficient number of candidates in the respective categories fail to secure minimum marks as prescribed in NEET held for any academic year for admission to post-graduate courses, the Central Government in consultation with the Council may, at its discretion lower the minimum marks required for admission to post-graduate courses for candidates belonging to respective categories and marks so lowered by the Central Government shall be applicable for the said academic year only.

- (2) The reservation of seats in dental college/institutions for respective categories shall be as per applicable laws prevailing in

Dean
Faculty of Dental Sciences
SGT University
Budhera, Gurgaon

Registrar
SGT University
Budhera, Gurgaon

States/Union territories. An all India merit list as well as State-wise merit list of the eligible candidates shall be prepared on the basis of the marks obtained in NEET Test and candidates shall be admitted to post-graduate courses from the said merit list only:

Provided that in determining the merit of candidates who are in service of Government/public authority, weightage in the marks may be given by the Government/competent authority as an incentive upto 10% of the marks obtained for each year of service in remote and/or difficult areas upto the maximum of 30% of the marks obtained in NEET. The remote and difficult areas shall be as defined by State Government /competent authority from time to time.

- (3) A candidate, who has failed to secure the minimum percentile as prescribed in these regulations, shall not be admitted to any post-graduate courses in any academic year.
- (4) Minimum 5% seats of the annual sanctioned intake capacity shall be filled up by candidates with locomotory disability of lower limbs between 50% to 70%:

Provided that in case any seat in this quota remains unfilled on account of unavailability of candidates with locomotory disability of lower limbs between 50% to 70% then any such unfilled seat shall be filled up by persons with locomotory disability of lower limbs between 40% to 50% - before they are included in the annual sanctioned seats for general category candidates:

Provided further that this entire exercise shall be completed by each dental college/institution as per the statutory time schedule for admissions.

9. COMMENCEMENT OF ACADEMIC SESSION AND CUT-OFF DATE FOR ADMISSION.—

- (1) The academic session shall be commenced from 1st of May and the cut-off date for admission, even for stray vacancies, in the Master of Dental Surgery course shall be 31st of May, every year. The universities and other institutions shall start the admission process in such a way that teaching in post-graduate courses starts by 1st May each year for which they shall strictly adhere to the time schedule specified in the Dental Council of India (Establishment of new dental colleges, opening of higher courses of study and increase of admission capacity in existing dental colleges) Regulations, 2006.
- (2) There shall be no admission of students in respect of any academic session beyond the 31st May for post-graduate courses under any circumstances. The universities or institute shall not register any student beyond the said date; in case, any institution which grants admission to any student after the last date specified for the same shall also be liable to face such action including surrender of seats equivalent to the extent of such admission made from its sanctioned intake capacity for the succeeding academic year.

- (3) The Council may direct, that any student identified as having obtained his/her admission after the last date for closure of admission be discharged from the course of study, or any dental qualification granted to such a student shall not be a recognized qualification for the purpose of the Act.

10. COMMON COUNSELING.—

- (1) There shall be a common counseling for admission to all post-graduate courses (Diploma /MDS) in all dental educational institutions on the basis of merit list of the NEET.
- (2) The designated authority for counseling for the 50% All India Quota seats of the contributing States, as per the existing scheme for post graduate (Diploma/MDS) courses shall be the Directorate General of Health Services, Ministry of Health and Family Welfare, Government of India. Further Directorate General of Health Services, Ministry of Health and Family Welfare, Government of India shall conduct counseling for all post-graduate (Diploma/MDS) Courses in Dental Educational Institutions of the Central Government, Universities established by an Act of Parliament and the Deemed Universities.
- (3) The counseling for admission to post-graduate (Diploma/MDS) courses in all dental Educational Institutions in a State/Union Territory, including dental educational institutions established by the State Government, University established by an Act of State/Union Territory Legislature, Trust, Society, Minority Institutions shall be conducted by the State/Union Territory Government.
- (4) In case, any dispute arises on such common counseling, the matter to the Central Government and its decisions shall be final, in this regard.

11. Period/ Duration of Course:

- (1) The period of training for the award of the MDS course shall be of three years duration for three academic years as full time candidates in an institution including the period of examination:

Provided that the time period required for passing out of the MDS course shall be a maximum of six years from the date of admission in said course:

Provided further that the duration of the post-graduate course for the post-graduate Diploma holders shall be of two years in the respective speciality. The syllabus and curriculum shall be the same as MDS Course in the concerned speciality except that they are not required (i) to undergo study and training in Basic Sciences and (ii) pass the PART-I Examination of MDS Course. However, they have

Dean
Faculty of Dental Sciences
SGT University
Budhera, Gurugram

Registrar
SGT University
Budhera, Gurugram

to submit the dissertation work, as part of the post-graduate programme.

- (2) During the period, each student shall take part actively in learning and teaching activities design of training, by the institution or the university. The evaluation of these activities will be as per model check list given in Dental Council of India, Gazette Notification No. DE-87-2017 titled "Master of Dental Surgery, Course Regulations, 2017. The teaching and learning activities in each speciality, shall be as under:—

(a) **LECTURES:**

There shall be some didactic lectures in the speciality and in the allied fields. The departments shall encourage guest lectures in the required areas and integrated lectures by multi-disciplinary teams on selected topics, to strengthen the training programmes.

(b) **JOURNAL REVIEW:**

The journal review meetings shall be held at least once a week. All trainees, associate and staff associated with the post-graduate programme are expected to participate actively and enter relevant details in the logbook. The trainee shall make presentations from the allotted journals of selected articles.

(c) **SEMINARS:**

The seminars shall be held at least twice a week in each department. All trainees are expected to participate actively and enter relevant details in logbook.

(d) **SYMPOSIUM:**

It is recommended to hold symposium on topics covering multiple disciplines.

(e) **CLINICAL POSTINGS:**

Each trainee shall work in the clinics on regular basis to acquire adequate professional skills and competency in managing various cases.

(f) **CLINICO- PATHOLOGICAL CONFERENCE:**

The clinico pathological conference shall be held once a month involving the faculties of Oral Medicine and Radiology, Oral Pathology and allied clinical departments. The trainees shall be encouraged to present the clinical details,

radiological and histo-pathological interpretations and participation in the discussions.

(g) INTER-DEPARTMENTAL MEETINGS:

To encourage integration among various specialities, there shall be inter-departmental meeting chaired by the Dean with all heads of post-graduate departments at least once a month.

(h) TEACHING SKILLS:

All the trainees shall be encouraged to take part in undergraduate teaching programmes either in the form of lectures or group discussions.

(i) DENTAL EDUCATION PROGRAMMES:

Each department shall organize dental education programmes on regular basis involving other institutions. The trainees shall also be encouraged to attend such programmes conducted outside their university or institute.

(j) CONFERENCES / WORKSHOPS / ADVANCED COURSES:

The trainees shall be encouraged to attend conference / workshops / advanced courses and also to present at least two scientific papers and two posters at State / national level speciality and allied conferences / conventions during the training period.

(k) ROTATION AND POSTING IN OTHER DEPARTMENTS:

To bring in more integration among the specialities and allied fields, each department shall workout a programme to rotate the trainees in related disciplines.

(l) DISSERTATION / THESIS:

The trainees shall prepare a dissertation based on the clinical or experimental work or any other study conducted by them under the supervision of the guide.

(3). All the students of the speciality departments shall complete the minimum quota for the teaching and learning activities, as follows:—

- | | | | |

Work diary and log book: Every candidate shall maintain a work diary and log book as per Dental Council of India, Gazette Notification No. DE-87-2017 titled "Master of Dental Surgery, Course Regulations, 2017 for recording his or her participation in the training programmes conducted by the department. The work diary and log book shall be verified and certified by the Head of the Department of the institution. The certification of satisfactory progress is based on the work diary and logbook.
- v. Should have cleared all dues including course fee and examination fee as applicable.
- vi. Candidate failing to appear in annual examinations as per his/her course schedule and appearing in supplementary examination or henceforth will have to pay an additional examination fee of Rs. 20,000/- for each attempt.

(b) UNIVERSITY EXAMINATION

Medium of instructions and examinations shall be English. The university examination shall consist of theory, practical and clinical examination and viva-voce and Pedagogy.

i. Theory:

Part-I: Shall consist of one paper

There shall be a theory examination in the Basic Sciences at the end of 1st year of course. The question papers shall be set and evaluated by the concerned Department/Specialty. The candidates shall have to secure a minimum of 50% in the Basic Sciences and shall have to pass the **Part-I** examination at least six months prior to the final (Part-II) examination.

Part-II: Shall consist of three papers, namely:—

- ii. Practical and Clinical Examination;
- iii. Viva-voce; and
- iv. Pedagogy.

A candidate, who wishes to study in a second speciality, shall have to undergo the full course of three years duration in that speciality.

(c) DISSERTATION:

Every candidate appearing for the post-graduate degree examination shall at least six months prior to the examinations, submit with his form for examination, four typewritten copies of the dissertation undertaken by the candidate, prepared under the direction and guidance of his/her guide. The dissertation so submitted shall be referred to the examiners for their examination and acceptance of it shall be a condition precedent to allow the candidate to appear for the written part of the examination:

Provided that a candidate whose dissertation has been accepted by the examiner, but declared failed at the examination, shall be permitted to re-appear at the subsequent examination without a new dissertation:

Provided further that if the dissertation is rejected by the examiner, the examiner shall assign reasons therefore with suggestions for its improvement to the candidate and such candidate shall re-submit his/ her dissertation to the examiner who shall accept it before appearing in the examination.

(d) Plan of Dissertation:

(i) Every student appearing for the MDS degree examination for the first time shall submit with his application for the admission to the examination, six type written copies of dissertation of a research topic undertaken by the candidate and prepared under the direction and guidance to the satisfaction of the concerned faculty. The dissertation shall be referred to the examiners for the MDS Examination and acceptance of it by the examiners shall be a pre-condition to the admission of the candidate to the written part of the examination.

(ii) Every student will be required to submit his/ her plan of dissertation to the Head of the Department who would forward the same to the Chairperson of the concerned Postgraduate Board of Studies within six months from the date of commencement of the course. Admission to the course can be cancelled, if the candidate fails to submit his/her plan within stipulated time. The delay, in exceptional circumstances if any, may be condoned on genuine reasons by the Dean on the recommendation of the Supervisor through the HOD upto 15 days, and by the Vice-Chancellor upto 30 days.

(iii) After approval of the subject of dissertation by the Board of Studies, it shall be considered by the Committee of the Dean and Director of the Postgraduate Board of Studies of the Faculty of Dental Sciences. The synopsis/ plan of dissertation shall be forwarded to the ethical committee of the institute for clearance. The thesis work shall start only after the Institutional review

Dean
Faculty of Dental Sciences
SGT University

Registrar
SGT University
Budhera, Gurugram

board \Ethical Committee clearance On the approval by the Committee, the same will be sent to the Controller of the Examinations for approval of the Vice Chancellor.

(iv) The Head of the Department shall certify that all necessary facilities for proper investigation and supervision of the candidate's work will be provided. If the necessary facility for a particular project is not available with the Department, then an academic tie-up can be done with another university/ college where such facilities are available. The dissertation shall be on a subject connected with the science and practice of Dental Sciences.

(v) The dissertation shall conform to the requirements laid down in this Ordinance and would have to be submitted six months before the date of final examination i.e. 31st October (For annual examination) and 31st March (For supplementary examination). The delay, in exceptional circumstances if any, may be condoned on genuine reasons by the Dean on the recommendation of the Supervisor through the HOD upto 15 days with late fee of Rs. 5000/-, and by the Vice-Chancellor with another 15 days with late fee of Rs. 10,000/-.

(vi) The dissertation shall embody the result of the candidate's own research and shall contain precise reference to the publications quoted, and must attain a good standard with a summary embodying conclusions arrived at by the candidate. Every candidate shall submit six copies of the dissertation.

(vi) The dissertation shall be examined separately by two examiners (one internal and one external) approved by the Board of Studies concerned. They shall report whether the thesis is accepted, or rejected or the candidate be allowed to resubmit the thesis after revision. If the examiners disagree, the Vice-Chancellor shall appoint a third examiner who shall be an expert in the same specialty as a replacement of the examiner rejecting the thesis. The third examiner shall be appointed by the Vice-Chancellor on the recommendation of the Dean, Faculty of Dental Sciences from the panel approved by the Board of Studies or any other independent examiner. If the dissertation is accepted, it shall be classified as accepted, commended or highly commended and the result will be communicated to the candidate. Every approved dissertation shall become the property of the S.G.T. University, Gurugram along with copyright, and may be placed in the University Library or uploaded on a sever for access in public domain. If the dissertation is rejected, the student may be required either to re-write the dissertation or to take up another topic. The examiner rejecting the dissertation shall point out in writing the defects and make suggestions for improvements and modifications, if a revision will render it acceptable. The revised dissertation shall be submitted to the university not later than one year from the

Registrar
SGT University
Budhera, Gurugram

Dean
Faculty of Dental Sciences
SGT University
Budhera, Gurugram

date of intimation of the result accompanied by half the amount of the prescribed examination fee.

- (viii) A student whose dissertation has been accepted but who fails in the examination may be allowed to reappear at a subsequent examination but his/her dissertation shall not be evaluated again. He/she shall pay the examination fee as prescribed by the University.

(e) CLINICAL/PRACTICAL EXAMINATION:

Clinical/practical examination is designed to test the clinical skill, performance and competence of the candidate in skills such as communication, clinical examination, medical/dental procedures or prescription, exercise prescription, latest techniques, evaluation and interpretation of results so as to undertake independent work as a specialist. The affiliating university shall ensure that the candidate has been given ample opportunity to perform various clinical procedures.

The practical/clinical examination in all the specialities shall be conducted for six candidates in two days:

Provided that practical/clinical examination may be extended for one day, if it is not complete in two days.

(f) VIVA-VOCE EXAMINATION:

Viva voce examination aims at assessing the depth of knowledge, logical reasoning, confidence and communication skill of the students.

(g) SCHEME OF EXAMINATION:

Theory: Part-I: Basic Sciences Paper - 100 Marks

Part-II: Paper-I, Paper-II & Paper-III - 300 Marks (100 Marks for each Paper)

Written examination shall consist of Basic Sciences (Part-I) of three hours duration shall be conducted at the end of First year of MDS course. Part-II Examination shall be conducted at the end of Third year of MDS course. Part II Examination shall consist of Paper-I, Paper-II and Paper-III, each of three hours duration. Paper-I & Paper-II shall consist of two long answer questions carrying 25 marks each and five questions carrying 10 marks each. Paper-III will be on Essays. In Paper-III three Questions will be given and student has to answer any two questions. Each question carries 50 marks. Questions on recent advances may be asked in any or all the papers. Distribution of topics for each paper of each subject will be as mentioned in Clause 12 below.

(h) DISTRIBUTION OF MARKS:

Theory : (Total 400 Marks)

14

(1) Part I University Examination (100Marks):-

There shall be 10 questions of 10 marks each (Total of 100 Marks)

(2) Part II (3 papers of 100 Marks):-

(i) Paper-I: 2 long essay questions of 25 marks each and 5 short essays of 10 marks each. (Total of 100 Marks)

(ii) Paper-II: 2 long essay questions of 25 marks each and 5 short essays of 10 marks each. (Total of 100 Marks)

(iii) Paper III: 2 out of 3 essay questions (50 x 2 = 100 Marks)

Practical and Clinical Examination :

200 Marks

Viva-voce and Pedagogy :

100 Marks

13. Syllabus:

Syllabus for the course leading to the MDS degree will be as prescribed by the Dental Council of India from time to time and approved by the Academic Council of SGT University.

The syllabus for post-graduate course includes both Applied Basic Sciences and subjects of concerned specialty. The syllabus in Applied Basic Sciences shall vary according to the particular specialty, similarly the candidates shall also acquire adequate knowledge in other subjects related to their respective specialty.

The topics assigned to the different papers are generally evaluated under those sections. However a strict division of the subject may not be possible and some overlapping of topics is inevitable. Students should be prepared to answer overlapping topics.

SYLLABUS DISTRIBUTION IN VARIOUS SPECIALITIES:

(i) PROSTHODONTICS AND CROWN & BRIDGE

Part-I

Paper-I: **Applied Basic Sciences:** Applied anatomy, embryology, growth and development Genetics, Immunology, anthropology, Physiology, nutrition and Biochemistry, Pathology and Microbiology, virology, Applied pharmacology, Research Methodology and bio statistics, Applied Dental anatomy and histology, Oral pathology & oral Microbiology, Adult and geriatric psychology. Applied dental materials.

Registrar

Part-II

- Paper-I : Removable Prosthodontics and Implant supported prosthesis (Implantology), Geriatric dentistry and Cranio facial Prosthodontics
- Paper-II : Fixed Prosthodontics, occlusion, TMJ and esthetics.
- Paper-III: Descriptive and analysing type question

(ii) PERIODONTOLOGY

Part-I

- Paper-I : **Applied Basic Sciences:** Applied Anatomy, Physiology, and Biochemistry, Pathology, Microbiology, Pharmacology, Research Methodology and Biostatistics.

Part-II

- Paper-I : Normal Periodontal structure, Etiology and Pathogenesis of Periodontal diseases, epidemiology as related to Periodontics
- Paper-II : Periodontal diagnosis, therapy and Oral implantology
- Paper-III : Descriptive and analysing type question

(iii) ORAL & MAXILLOFACIAL SURGERY

Part-I

- Paper-I: **Applied Basic Sciences:** Applied Anatomy, Physiology, & Biochemistry, Pathology, Microbiology, Pharmacology, Research Methodology and Biostatistics.

Part-II:

- Paper-I : Minor Oral Surgery and Trauma
- Paper-II : Maxillo-facial Surgery
- Paper-III : Descriptive and analysing type question

(iv) CONSERVATIVE DENTISTRY AND ENDODONTICS

Part-I

- Paper-I: **Applied Basic Sciences:** Applied Anatomy, Physiology, Pathology including Oral Microbiology, Pharmacology, Biostatistics and Research Methodology and Applied Dental Materials.

Part-II

- Paper-I : Conservative Dentistry
Paper-II : Endodontics
Paper-III : Descriptive and analysing type question

(v) ORTHODONTICS AND DENTOFACIALORTHOPEDICS

Part-I

- Paper-I : **Applied Basic Sciences:** Applied anatomy, Physiology, Dental Materials, Genetics, Pathology, Physical Anthropology, Applied Research methodology, Bio-Statistics and Applied Pharmacology.

Part-II

- Paper-I : Orthodontic history, Concepts of occlusion and esthetics, Child and Adult Psychology, Etiology and classification of malocclusion, Dentofacial Anomalies, Diagnostic procedures and treatment planning in Orthodontics, Practice management in Orthodontic
Paper-II : Clinical Orthodontics
Paper-III : Descriptive and analysing type question

(vi) ORAL AND MAXILLOFACIAL PATHOLOGY AND ORALMICROBIOLOGY:

Part-I

- Paper-I : **Applied Basic Sciences:** Applied anatomy, Physiology (General and oral), Cell Biology, General Histology, Biochemistry, General Pathology, General and Systemic Microbiology, Virology, Mycology, Basic Immunology, Oral Biology (oral and dental histology), Biostatistics and Research Methodology

Part-II:

- Paper-I : Oral pathology, Oral Microbiology and Immunology and Forensic Odontology

Paper-II : Laboratory techniques and Diagnosis and Oral Oncology

Paper-III : Descriptive and analysing type question

(vii) PUBLIC HEALTH DENTISTRY

Part-I

Paper-I : Applied Basic Sciences: Applied Anatomy and Histology, Applied Physiology and Biochemistry, Applied Pathology, Microbiology, Oral Pathology, Physical and Social Anthropology, Applied Pharmacology and Research Methodology and Biostatistics.

Part-II:

Paper-I : Public Health

Paper-II : Dental Public Health

Paper-III : Descriptive and analysing type question

(viii) PEDIATRIC DENTISTRY

Part-I

Paper-I : Applied Basic Sciences : Applied Anatomy, Physiology, and Biochemistry, Pathology, Microbiology, Pharmacology, Research Methodology and Biostatistics Growth and Development and Dental plaque, Genetics.

Part-II:

Paper-I : Clinical Pedodontics

Paper-II : Preventive and Community Dentistry as applied to pediatric dentistry

Paper-III : Descriptive and analyzing type question

(ix) ORAL MEDICINE AND RADIOLOGY

Part-I

Paper-I : Applied Basic Sciences: Applied Anatomy, Physiology, and Biochemistry, Pathology, Microbiology, Pharmacology, Research Methodology and Biostatistics

Part-II:

Paper-I : Oral and Maxillofacial Radiology

Paper-II : Oral Medicine, therapeutics and laboratory investigations

Paper-III : Descriptive and analyzing type question

14. **STIPEND.** The post-graduate students shall be paid stipend only for duration of three years of the course, as may be fixed by the Central Government/State Government/Union Territory Administration or such authority as the respective Government/administration may authorize. Where any dispute arises regarding any such stipend, including, quantum of stipend, it shall be considered and decided by the Central Government/respective State Government/Union Territory Administration at its own level and its decision shall be final.
15. **MIGRATION:** Under no circumstances, the migration or the transfer of students undergoing post-graduate Degree/Diploma shall not be permitted by the university or the authority. No inter-change of the speciality in the same institution or in any other institution shall be permitted after the date of the commencement of session.
16. **EXAMINERS:**
- Part I:** There shall be one internal and one external examiner for three students appointed by the affiliating university for evaluating the answer scripts of the same speciality. However, the number of examiner/s may be increased with the corresponding increase in number of students.
- Part II:** There shall be four examiners in each subject. Out of them, two (50%) shall be external examiners and two (50%) shall be internal examiners. Both external examiners shall be from a university other than the affiliating university and one examiner shall be from a university of different State.
17. **QUALIFICATION AND EXPERIENCE FOR EXAMINERS:**
- The qualification and experience for appointment of an examiner shall be as under:-
- (i) shall possess qualification and experience of a Professor in a post-graduate degree programme;
 - (ii) a person who is not a regular post-graduate teacher in the subject shall not be appointed as an examiner;
 - (iii) the internal examiner in a subject shall not accept external examinership in a college for the same academic year;
 - (iv) no person shall be appointed as an external examiner for the same institution for more than two consecutive years. However, if there is a break of one year, the person can be re-appointed.
18. **EXAMINATION CENTRE:**
- (1) In the event of university exam being conducted in the same city or town having more than one post-graduate institution under the same university, one central examination centre shall be fixed by the

Registrar
SGT University
Budhera, Gurugram

Dean
Faculty of Dental Sciences
SGT University
Budhera, Gurugram

university and the students from all the institutions of the city shall take the examination in that center. Provided that the clinical and viva-voice shall be conducted at their institute.

- (2) Rotation of the institutions as center of examination shall be as per direction of the university.

19. VALUATION OF ANSWER BOOKS:

Part-I : Answer book/s shall be evaluated by the internal and external examiner/s

Part-II : Answer books shall be evaluated by four examiners, two internal and two external and the average marks shall be computed.

20. CRITERIA FOR PASS CERTIFICATE:

To pass the university examination, a candidate shall secure in both theory examination and in practical/clinical including viva voce independently with an aggregate of 50% of total marks allotted (50 out of 100 marks in Part I examination and 150 marks out of 300 in Part II examination in theory and 150 out of 300, clinical plus viva voce together). A candidate securing marks below 50% as mentioned above shall be declared to have failed in the examination.

A candidate who is declared successful in the examination shall be granted a Degree of Master of Dental Surgery in the respective speciality.

21. General:

Notwithstanding the integrated nature of this course which is spread over more than one academic year, the Ordinance in force at the time, a student joins the course shall hold good only for the examination held during or at the end of the training and nothing in this ordinance shall be deemed to debar the University from amending the ordinance and to the amended ordinance, if any, shall apply to all the students, admitted on or after 01.09.2017 as per Dental Council of India, Gazette Notification No. DE-87-2017 titled "Master of Dental Surgery, Course Regulations, 2017."

Agenda Item No. 1

To consider and approve the "Master of Dental Surgery (MDS) Course Ordinance-2018", applicable for MDS students to be admitted in 2018 and onwards, as passed and approved by the Board of Studies in Faculty of Dental Sciences in its meeting held on 25.04.2018.

Note: The existing MDS Course Ordinance (placed as Annexure 1/1) was formulated in accordance with the "DCI MDS Course Regulations- 2007" and is applicable for the MDS students admitted up to 2017.

Dental Council of India, the regulatory body of MDS course has revised MDS Course Regulations-2007 vide its "MDS Course Regulations 2017" (placed as Annexure 1/2) which will be applicable for the MDS students admitted in 2018 and onwards.

Accordingly, the proposed MDS Course Ordinance (placed as Annexure 1/3) was prepared by the Faculty of Dental Sciences, approved by the Board of Studies in its meeting held on 25.04.2018 (placed as Annexure 1/4). The proposed Course Ordinance has been considered and approved by the Vice Chancellor on 09.05.2018 (placed as Annexure 1/5) and recommended to be placed before the Academic Council; hence the above item.

Registrar

Buhara, Gurugram

Faculty of Dental Sciences

SGTU/FDS/23/ 227

Dated: 07.05.2018

Subject: Master of Dental Surgery (MDS) Course Ordinance-2018

Please refer:-

- (a) The existing MDS Course Ordinance – Placed as per PUC-1 below.
- (b) Dental Council of India, Master of Dental Surgery Course Regulations, 2017 to be applicable for the MDS students admitted during 2018- placed below as PUC-2.
- (c) Minutes of Meeting of the Board of Studies dated 25.04.2018 as per the directions of the competent authority of 24.04.2018 – placed below as Flag- A (colly.).

It is submitted that the existing MDS Course Ordinance does not cover all the aspects required as per the new DCI Regulations 2017. Moreover, this DCI Regulations had come into force with effect from 1st September 2017 which is applicable for MDS students admitted in 2018 onwards only.

Keeping in view the existing MDS Course Ordinance and necessary aspects of DCI, MDS Course Regulations 2017, a proposed 'MDS Course Ordinance 2018' duly approved by the Board of Studies, is being placed below as per Flag-B for approval of the competent authority as per the existing rules of the University.

Submitted please.
