At the outset, Dr. Kalpana, the chairperson, welcomed all the members and apprised all the members about creation of Dept. of Nutrition & Dietetics under FAHS. Later, the meeting agenda points were opened for detailed discussion.

- Dr. Kalpana briefed about the introduction of new specializations in M.Sc Nutrition and Dietetics program from the year 2021, which was appreciated.
- The members discussed in-depth about the importance of various of specializations in M.Sc (Nutrition and Dietetics) program in view of job opportunities in various public and private sectors.
- In principle, the members approved the three specializations namely.. Clinical Nutrition and Dietetics, Public Health Nutrition and Exercise and Sports Nutrition and it also has been suggested that the detailed curriculum should be framed and brought to the committee in the next BOS meeting.
- Dr. Shweta suggested not to have the overlapping subjects in the curriculum of M.Sc (N&D; Specialization: Public Health Nutrition).
- Dr. Ejaz Hussain suggested to shift the Research Methodology subject from the second semester to the first semester and the Human Values And Ethics subject to the second semester from the first semester for the on going (2020-22 Batch) M.Sc. (Nutrition and Dietetics) program to orient the students towards research from the first semester and the same was approved by the members.
- The panel of examiners for M.Sc. (N&D) semester I and III and B.Sc (N&D) semester III for the academic year 2020-21 was approved.
- The dissertation guidelines for Master's programme under FAHS was also approved.

The meeting ended at 1.00 PM with vote of thanks to the chair.
