Dear Sir/Madam,

As you all are aware that NAAC specifically asks for "Professional Ethics and Human Values" course. As a result, we shall be starting a CBCS course on "Professional Ethics and Human Values" for UG students and PG students. So, we shall be starting a 32-34 hrs course of which 20 hrs shall be on General Ethics and shall be taken as per the schedule attached herewith. These topics shall be common for all faculties and shall be taken centrally through live streaming of lectures from a base point. The lecture streaming shall be done in appropriate lecture theatres in each block so that concerned students can attend that. These topics shall be taken by faculty members as notified in the schedule.

The discipline specific ethics of 12-14 hrs duration shall be taken by the concerned faculty themselves in continuation with the general ethics course so that it can be finished in that semester.

There will be 2 papers of this course, paper 1 shall of general ethics and paper 2 shall be of discipline specific ethics.

It is to be noted that each Dean has to depute one faculty coordinator for this course who will be monitoring the students during video lecture and maintaining all class records which shall be forwarded to IQAC before the semester examinations. Since, at the beginning, students may not be able to participate in the lecture, it shall be one way communication, hence, faculty coordinator also has to bridge the gap and notify the faculty taking the class about any doubts/issues raised by the students during the lecture.

Also, which semester/year UG/PG students to be enrolled for this course in any faculty is upto the discretion of their Deans. However, it is recommended that students with some basic idea about the subject should be enrolled, so 3rd yr/Final year/6th-8th semester UG students and 2nd year PGs should be enrolled for the course.

Hence, kindly send the names of students who shall be enrolling for the course, the name of faculty coordinator and the list of topics related to discipline specific ethics to the undersigned by 7th January 2019 as the course starts on 11th January 2018.
