Report of the Workshop:

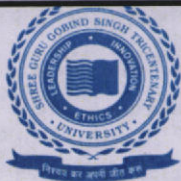

The 3 day workshop on smart city micro acceleration program ended successfully. The total of six teams more than 30 students participated and will be going through a rigorous and iterative process of creating their minimum viable product and taking their ideas to reality. The teams will receive constant mentoring to help them move from ideas to conceptualisation their product/ prototype delivery and finally take the concept /product to market. The trainers Mr. Suryender Kumar and Mr. Ravi Chugh were very happy with the student participation. Mr. Suryender said that the participants found the workshop well-structured, comprehensive, rich in content and useful for implementing the ideas in real life. The workshop provided an excellent opportunity to the students to present their ideas and think about different global problems. The participants evaluated the workshop highly in terms of content and methodology. The arrangements of the workshop and the hospitality and commitment of the SGT staff is highly appreciated.
