

# SGT UNIVERSITY

SHREE GURU GOBIND SINGH TRICENTENARY UNIVERSITY

GURGAON, DELHI-NCR

(Established by the Haryana Act No.8 of 2013)

**ORGANIZERS:** Faculty of nursing organizing an awareness programme on Hand Hygiene In collaboration with Hospital Infection Control Unit (HQAC), SGT Hospital.

**OBJECTIVE OF THE PROGRAMME:** To raise awareness of the importance of hand hygiene in patient care and infection control.

**AUDIENCE:** Faculties, Students Faculty of Nursing, Nursing staff and patients and their attendants.

## **BRIEF REPORT OF THE PROGRAMME:.**

PFLEGE Association, Department of Obstetrics and Gynecological Nursing, Faculty of Nursing in collaboration with Hospital Infection Control Unit (H.Q.A.C) organized an awareness program on hand hygiene (HOSPITAL INFECTION CONTROL) from 26 to 28 November 2019. The target participants will be faculty and students working in infection control.

Infection Control is an essential component of any health care delivery system. Implementing infection control measures such as standard precautions like hand hygiene, personal protective equipment, environmental disinfection and equipment disinfection/sterilization etc. and transmission-based precautions can prevent the spread of microorganisms in health care settings. Unfortunately, an effective and robust infection control programme is lacking in most of the health care facilities in India. More so in the current scenario of antimicrobial resistance, antimicrobial stewardship program (AMSP) has become the need of the hour.

Microbiologists play a crucial role in implementing the infection control programme and to initiate antimicrobial stewardship measures. Hospital infection control units in most of the healthcare facilities in India are supervised by microbiologists. More so, when the Government of India is planning to bring the infection control as a separate learning objective for the students, it is of utmost importance for every microbiologist to enhance their knowledge and hone their skills on infection control
