Detailed Program

SGT University and its Corporate Resource Centre in association with the elite Barclay held a 4 days' soft skills workshop at the campus itself. The graduate and postgraduate students of the Faculty of Engineering, Faculty of Commerce and Management, Faculty of Pharmacy, Faculty of Sciences, Faculty of agriculture sciences, Faculty of Mass Communication etc. attended this workshop.

It was an interactive four-day event where students learnt the intricacies of communication, and how to face interviews.

The skills of the students were enhanced by several programmes that included lessons on organizational structure, public speaking, presentations, email etiquettes, grooming, and personal interviews.

This training session inculcated out of the box thinking and was definitely a learning experience for everyone.

Words can heal or they can damage you forever'. This only goes on to state the fact that words and communication play a pivotal role in our lives. Owing to this fact, SGT University and its Corporate Resource Centre in association with the elite 'Barclay' held a soft skills workshop on February 24, 2020, to February 27 for the final year and pre-final year students.

Topics like Organizational Structure, Public Speaking, Presentation Skills, E-mail Etiquette, Grooming, Group Discussion, and Personal Interview were discussed. Students got a swot up importance of communication skills and it was a fruitful experience for everyone.
