## NOTICE FOR STUDENTS

This is for the information of **ALL STUDENTS** of the university that the following Short Term 'Skill Development' Certification Program has been scheduled.

Students are requested to enroll the same by notifying their registration to their respective HODs or IQAC Officers.

|                        |                                                                                                                                                                                     |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Title of Course</b> | Fundamentals of Machine Learning for Research                                                                                                                                       |
| <b>Seats Available</b> | 100 ( <i>First come First serve basis</i> )                                                                                                                                         |
| <b>Duration</b>        | 4 days<br>(30~35 hrs, including classroom & assignments)                                                                                                                            |
| <b>Dates</b>           | 26/Apr/2021 TO 29/Apr/2021                                                                                                                                                          |
| <b>Major Contents</b>  | Concept of Machine Learning, Use in Academic Research, Linear Regression (Single & Multiple Variable), Creating Regression Models with Tools (Minitab, Excel Utilities), Assignment |

Note: In case of any changes in schedule, the same will be intimated well in advance by the program coordinator.
