Mentor-Mentee Report 23.01.2018

December and January

Common issues

1. The report of this month is regarding the short attendance of the students of B.Sc. Nursing 1st year.
Ms. Anju and Mr. Aditya students of B.Sc. Nursing 1st year who has 66% and 52% aggregated attendance of the subject Anatomy and Physiology. These students have been counselled for the same time to time but no improvement and they are detained from the same subject and informed to parents as well.
2. There is a problem of one student Mr. Sayed Anwar of B.Sc. Nursing 1st year from Jammu and Kashmir regarding the vacations as he didn't go home during his winter vacations due to his personal reasons. He asked for the vacations of 2 weeks after the exam but he didn't get the permission for this long time. He was suggested that he can be given at the most one week due to beginning of 2nd semester for which he needs at least 80% attendance as per their university & INC requirement, but he refused for one week.

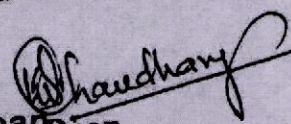

February to April

1. Library Hours: the students requested for the library hours during their class timings. This has been planned in a way that during the lab hours the half group will be going for the demonstration in the lab and the rest half will be going for the library hour.
2. Excursions: the 3rd year and 2nd year students requested for the short tours out station during their course. Kindly do the needful.

May to July

1. The issue was regarding the student's short attendance. The students have been counselled for the regularity as they are supposed to attend the classes regularly to sit in the examination. The students with less attendance due to some medical issues have been told to write the assignments as a compensation.
2. Some students find difficulty in some subjects to get ready for the exams, have been told to spare extra time during the break times to go to the subject teacher and clear their queries.
