Yearly Report of the Extension/Outreach Activities Academic Year: 2021-22

Shree Guru Gobind Singh Tricentenary University, Gurugram continued its hunger for social services through its extension & outreach activities. In the post-pandemic era, our students with full enthusiasm for community services have started their noble work in the academic year 2021-22.

Our teams visited more than 262 villages and conducted activities related to community health camps, health & hygiene awareness activities, school health check-up camps, various disease campaigns, mega awareness drives, environmental awareness and screening camps, etc, and also included the Kisan gosthi, school nutrition awareness, tree plantation drive swacha bharat summer internship programs, AIDS awareness, farmers congregation, voting rights awareness campaign, world environment day, etc. conducted with the help of the NSS & NCC of the University.

A total number of 3881 students participated in 262 activities in the academic year 2020-21 and details of the same are enclosed herewith marked **Annexure-I**.

Yearly Report of the Extension/Outreach Activities

Academic Year: 2020-21

Covid19 pandemic impacted physical operations worldwide, however, being tech-savvy, SGT University has taken advantage of its IT infrastructure & contributed well towards its students/faculty/staff's mental health & well-being.

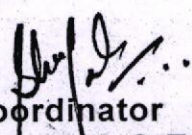

The Haryana Govt. vide its Memo No. DMER/2020/2673 dated 18.04.2020, the SGT University's Hospital was dedicatedly reserved for nearby as well as needy covid19 patients exclusively. More than 1,00,000 antibody generic tests were conducted during the covid19 pandemic.

The initial physical operations of the university were started in the mid of September 2020, however, our students continuously strived hard to serve the community in the deadly coronavirus era and post covid scenario.

A total number of 91 extension and outreach activities were conducted and 3084 students participated in these health and hygiene-related activities in the academic year 2020-21.

Our students, through outreach & extension activities, have remarkable footprints on society through their outstanding work during covid19 pandemic.

The list of the conducted activities, so far, has been attached to this report as **Annexure-I**.

Yearly Report of the Extension/Outreach Activities

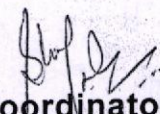

Academic Year: 2019-20

Shree Guru Gobind Singh Tricentenary University, Gurugram organized a total of 327 outreach & extension activities during the academic year 2019-20 and a total number of 3100 students participated in the community health camps, health & hygiene awareness activities, school health check-up camps, various disease campaigns, mega awareness drives, environmental awareness and screening camps, etc, and also included the kisan gosthi, school nutrition awareness, tree plantation drive swacha bharat summer internship programs, AIDS awareness, farmers congregation, voting rights awareness campaign, world environment day, etc. The NSS & NCC Unit volunteers also contributed well towards the aforementioned activities.

We were supposed to enhance our outreach & extension activities in the academic year 2019-20 in comparison to 2018-19, however, due to country-wise lockdown, we could not make it on the ground.

We hope and trust that in the upcoming academic year 2020-21, we will be achieving much more than the previous years to remarkable impact on society as well as to keep our students safe in post covid19 pandemic scenario.

The list of the conducted activities, so far, has been attached to this report as Annexure-I.

Yearly Report of the Extension/Outreach Activities

Academic Year: 2017-18

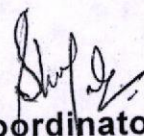

Shree Guru Gobind Singh Tricentenary University, Gurugram is established under the State Private University legislature dated 24th January 2013 and duly notified under the section 2(f) of the UGC Act, 1956 by its apex regulator University Grants Commission, New Delhi.

The University, being a health education institution, is not only known for its best-in-class health education, research, and industry-ready students and innovators but also for its state-of-the-art infrastructure and other facilities.

SGT University has its commitment to society & nation building not only through education but also by conducting several types of outreach/extension activities like community health camps, health & hygiene awareness activities, school health check-up camps, various disease campaigns, mega awareness drives, environmental awareness and screening camps, etc.

In the above context, in the academic year 2017-18, SGT University organized a total of 356 outreach activities, wherein a total of 2622 students actively participated and provided support to society through these activities.

A detailed list of the activities is being notified with this report marked as **Annexure-I**.
