Subject: Letter of Appreciation

As you are well aware that under CHC Farukhnagar, Anaemia Detection Camps were held in different village i.e. Tajnagar, Hazipur Patli and Sultanpur from 27 Jun to 6 Jul 2022 specially for children from age group of 6 months to 59 months, Adolescent girls above 15 yrs of age and all females above 15 years age to 49 years of age including pregnant women, lactating mothers under Poshan Abhiyana, "Anaemia Mukat Bharat".

This, a very important campaign was organised with the main support of Deloitte and further supported by District Administration, Gurugram, Health department, Gurugram, SGT University and Ramgopal College of Pharmacy.

Interns & Tutors of your SGT University who participated in this campaign have done extra-ordinary and commendable work in the camps. Interns & Tutors put their sincere and dedicated efforts to make program as grand success. Infact, their performance was beyond expectation. Without their support, it was not possible to get desired results.

Thanking you & your staff for your kind support and request to convey my specially thanks to all Interns & Tutors who have been the part of this campaign. Hope your institute will provide same support in future for better service to mankind.

Sub: Letter of acknowledgement & appreciation towards dental check-up in primary schools in collaboration with Healthy Smiles, DCI & Bright Smiles Bright Futures Program

Dear Sir,

We at Colgate-Palmolive are extremely happy and proud of our partnership towards the goal of increasing dental awareness and oral health education in primary schools through our flagship program- Bright Smiles Bright Futures Program in collaboration with Healthy Smiles and DCI.

This program was launched as a pilot from 24th October to 29th October 2018 in Delhi but with the tremendous response from the participating schools this was eventually transformed into a full-fledged program from 20th November onwards encompassing significant portions of Delhi & NCR. Till date we have done almost 2 lakh check-ups & none of this would have been possible without the strong support from SGT University & the able dental team led by Dr. Shourya Tandon and comprising of other Public Health Dentistry Staff, PG Students & Interns who left no stone unturned in providing dental education through check-ups and correct guidance to children in their formative years of life.

We are enormously grateful to the SGT University for allowing their dental team to visit these schools & help in the noble cause of rendering oral care and education through this program which is expected to extend until 15th March 2019.

Thank you.

Regards,

Dear Ma'am

On behalf of the Happy Model School, B2, Janakpuri, I express my sincerest gratitude to you and your team for conducting Dental and Eye Check up camp for the students of our school on 8.11.19, 28. 11. 2019 and 29.11.2019 in order to assess the dental and optical fitness of the students. The efforts of your team had been amazing in these days. They really guided and informed students well if they need any further assistance by the concerned medical practitioner.

It was really a pleasure for us to have you and your team at HMS who consented to provide us the timely support.

Once again, thank you for making the check up camp successful, and we hope to have such health camp and assistance in future as well with your continued support.

Thanks

Sub: Letter of Acknowledgement & Appreciation towards dental check-up in primary schools in collaboration with Colgate's Bright Smiles Bright Futures Program

Respected Sir,

We at Colgate-Palmolive are extremely happy and proud of our partnership towards the goal of increasing dental awareness and oral health education in primary schools through our flagship program- Bright Smiles Bright Futures Program.

This program was launched as a pilot in October 2018 in Delhi but with the tremendous response from the participating government schools this was eventually transformed into a full-fledged program which was scheduled from November 2019 to February 2020 encompassing significant portions of Delhi & NCR. Cumulatively, we have completed more than 17 Lakhs dental check-ups in Delhi-NCR till date and none of this would have been possible without the strong support from SGT University & the able dental team led by Dr. Shourya Tandon and comprising of other Public Health Dentistry Staff, PG Students & Interns who left no stone unturned in providing dental education through check-ups and correct guidance to children in their formative years of life.

We are enormously grateful to the SGT University for allowing their dental team to visit these schools & helping us in the noble cause of rendering oral care and education through this program.

Thank you.
