Ref. No. CHC FN/2022/ 952

Date: 30 Jul 2022

Subject: Letter of Appreciation

As you are well aware that under CHC Farukhnagar, Anaemia Detection Camps were held in different village i.e. Tajnagar, Hazipur Patli and Sultanpur from 27 Jun to 6 Jul 2022 specially for children from age group of 6 months to 59 months, Adolescent girls above 15 yrs of age and all females above 15 years age to 49 years of age including pregnant women, lactating mothers under Poshan Abhiyana, "Anaemia Mukat Bharat".

This, a very important campaign was organised with the main support of Deloitte and further supported by District Administration, Gurugram, Health department, Gurugram, SGT University and Ramgopal College of Pharmacy.

Interns & Tutors of your SGT University who participated in this campaign have done extra-ordinary and commendable work in the camps. Interns & Tutors put their sincere and dedicated efforts to make program as grand success. Infact, their performance was beyond expectation. Without their support, it was not possible to get desired results.

Thanking you & your staff for your kind support and request to convey my specially thanks to all Interns & Tutors who have been the part of this campaign. Hope your institute will provide same support in future for better service to mankind.

With Regards

Sub: Letter of acknowledgement & appreciation towards dental check-up in primary schools in collaboration with Healthy Smiles, DCI & Bright Smiles Bright Futures Program

Dear Sir,

We at Colgate-Palmolive are extremely happy and proud of our partnership towards the goal of increasing dental awareness and oral health education in primary schools through our flagship program- Bright Smiles Bright Futures Program in collaboration with Healthy Smiles and DCI.

This program was launched as a pilot from 24th October to 29th October 2018 in Delhi but with the tremendous response from the participating schools this was eventually transformed into a full-fledged program from 20th November onwards encompassing significant portions of Delhi & NCR. Till date we have done almost 2 lakh check-ups & none of this would have been possible without the strong support from SGT University & the able dental team led by Dr. Shourya Tandon and comprising of other Public Health Dentistry Staff, PG Students & Interns who left no stone unturned in providing dental education through check-ups and correct guidance to children in their formative years of life.

We are enormously grateful to the SGT University for allowing their dental team to visit these schools & help in the noble cause of rendering oral care and education through this program which is expected to extend until 15th March 2019.

Thank you.

Regards,

Dr. Sunil Mishra
