**SCOPUS-Indexing Database-**<https://www.scopus.com/search/form.uri?display=basic#basic>

Scopus uniquely combines a comprehensive, expertly curated abstract and citation database with enriched data and linked scholarly literature across a wide variety of disciplines.

Scopus quickly finds relevant and authoritative research, identifies experts and provides access to reliable data, metrics and analytical tools. Be confident in progressing research, teaching or research direction and priorities — all from one database and with one subscription.

Scopus delivers the broadest coverage of any interdisciplinary abstract and citation database. Covering 240 disciplines, researchers, instructors, librarians and students who rely on Scopus are confident that the odds of missing key publications are greatly reduced.

Learn how the interdisciplinary depth and breadth of Scopus can help drive your organization's research and knowledge forward.

Scopus can help your organization achieve a variety of goals, including:

- Improve efficiency and effectiveness of research and analytics workflows
- Identify research gaps for further exploration and discovery
- Bolster research performance, rank and reputation
- Support education and learning goals of instructors and students
- Optimize research funding and investments
- Protect the integrity of authors and the scholarly record and combat predatory publishing

#### 4. SWAYAM:

Swayam is a programme initiated by Government of India and designed to achieve the three cardinal principles of Education Policy viz., access, equity and quality. The objective of this effort is to take the best teaching learning resources to all, including the most disadvantaged. SWAYAM seeks to bridge the digital divide for students who have hitherto remained untouched by the digital revolution and have not been able to join the mainstream of the knowledge economy.

This is done through a platform that facilitates hosting of all the courses, taught in classrooms from Class 9 till post-graduation to be accessed by anyone, anywhere at any time. All the courses are interactive, prepared by the best teachers in the country and are available, free of cost to any learner. More than 1,000 specially chosen faculty and teachers from across the country have participated in preparing these courses.

Registrar  
SGT University  
Budhera, Gurugram

The courses hosted on SWAYAM are in 4 quadrants – (1) video lecture, (2) specially prepared reading material that can be downloaded/printed (3) self-assessment tests through tests and quizzes and (4) an online discussion forum for clearing the doubts. Steps have been taken to enrich the learning experience by using audio-video and multi-media and state of the art pedagogy / technology.

In order to ensure that best quality content is produced and delivered, nine National Coordinators have been appointed. They are:

1. [AICTE](#) (All India Council for Technical Education) for self-paced and international courses
2. [NPTEL](#) (National Programme on Technology Enhanced Learning) for Engineering
3. [UGC](#) (University Grants Commission) for non technical post-graduation education
4. [CEC](#) (Consortium for Educational Communication) for under-graduate education
5. [NCERT](#) (National Council of Educational Research and Training) for school education
6. [NIOS](#) (National Institute of Open Schooling) for school education
7. [IGNOU](#) (Indira Gandhi National Open University) for out-of-school students
8. [IIMB](#) (Indian Institute of Management, Bangalore) for management studies
9. [NITTTR](#) (National Institute of Technical Teachers Training and Research) for Teacher Training programme

Courses delivered through SWAYAM are available free of cost to the learners, however learners wanting a SWAYAM certificate should register for the final proctored exams that come at a fee and attend in-person at designated centers on specified dates. Eligibility for the certificate will be announced on the course page and learners will get certificates only if this criteria is matched. Universities/colleges approving credit transfer for these courses can use the marks/certificate obtained in these courses for the same.

**Reaxys Medicinal Chemistry Database:**

**A chemical database that improves R&D productivity**

Registrar  
SGT University  
Budhera, Gurugram

Chemists in every field search for chemistry literature and bioactivity data with Reaxys. Query and filter for chemical substances and reactions with an intuitive interface. And discover more property types than with any other chemistry database.

Start with quick search and customize with query builder — the most powerful query engine in a chemistry database. Reaxys has the largest number of customization options and a transparent query process. You can easily follow your chosen path through to results.

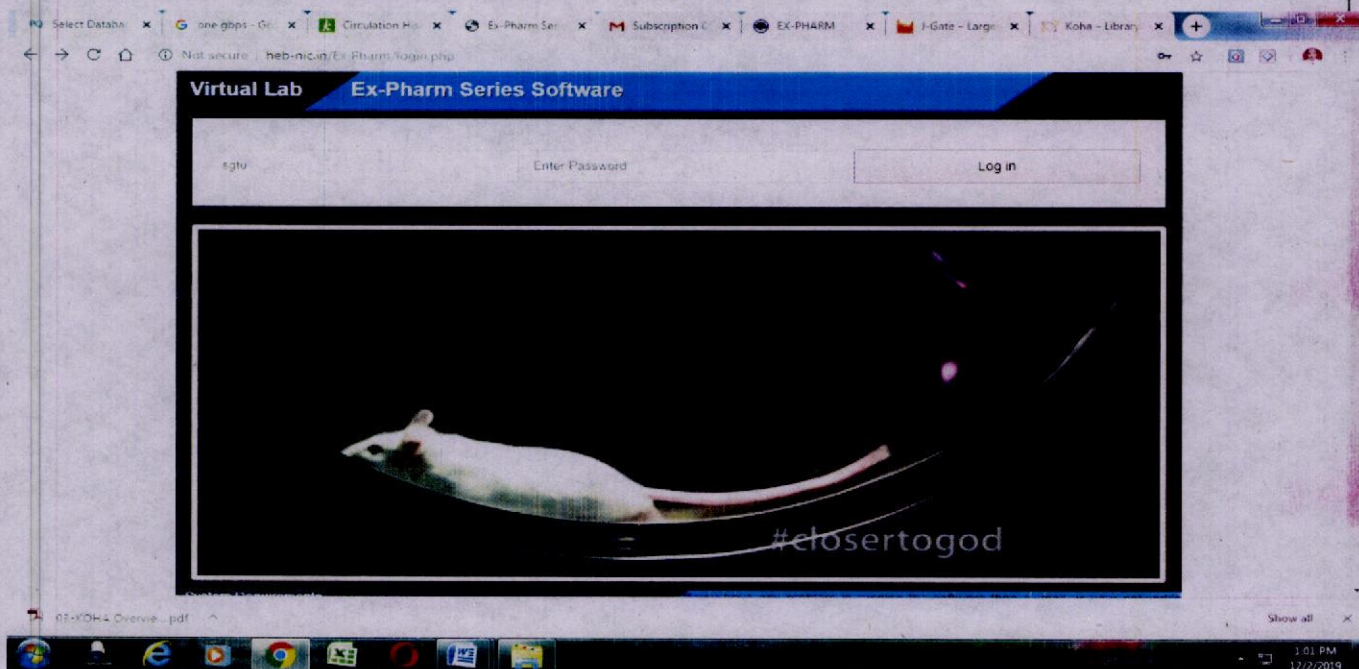

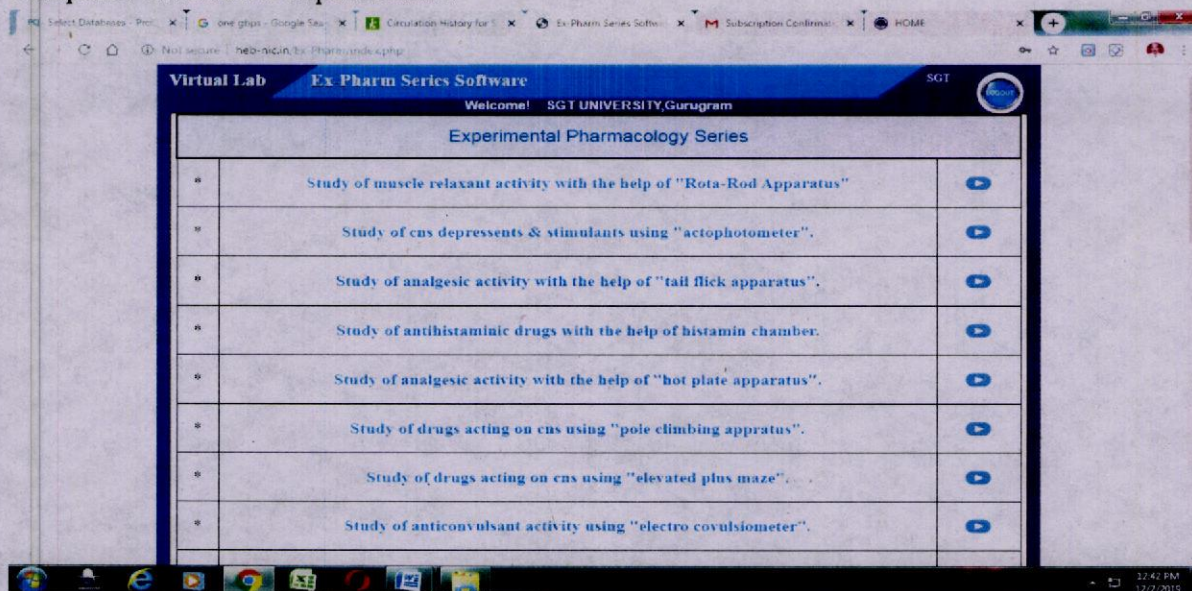

Designed by chemists, Reaxys is more than a fast and flexible chemistry database. It's a cheminformatics solution that delivers chemistry facts the way chemists need them.

The image displays two screenshots of the Reaxys web interface. The top screenshot shows the 'Quick search' page with a search bar containing '1h nmr spectrum' AND a chemical structure. The bottom screenshot shows the 'Query builder' page with a search bar containing 'Reactions, e.g. preparation of porphyrine' AND a chemical structure. Both screenshots show the Reaxys logo, navigation tabs, and a footer with statistics: 179M Substances, 57M Reactions, 86M Documents, and 41M Bioactivities.

Dear Sir/Madam,

Sub: Establishing NPTEL Local Chapter in your college

Greetings from the NPTEL office.

This is to acknowledge the receipt of your letter accepting to host NPTEL Local Chapter in your institution.

The Single Point of Contact (SPOC) nominated from your college is

Name of SPOC: PROF R C SHARMA  
Designation: PROFESSOR, DEAN  
Department: PHYSICAL SCIENCES  
Contact No(s): 9213203627  
E-mail id: rcsharma@sgtuniversity.org

We wish to inform you that all future correspondence related to NPTEL contents and online courses will be made to the afore-mentioned SPOC. He/she will be routinely updated with all the latest NPTEL initiatives which then may be circulated among the students.

We are also happy to share that a dedicated NPTEL Local Chapter web page is being created and your institution will have a separate page on it (<http://nptel.ac.in/LocalChapter>).

Thanking you.

Sincerely

Prof. Andrew Thangaraj
