On 15th or 16th November, around 1:30 p.m. I was going to the C-Block canteen, there were four boys out of which two boys grabbed me. One boy kept his hand on my mouth and the other boy kept ~~me~~ holding my arms. I immediately kicked the boy from my right knee on his stomach. Then both of them left me and went from there.

These incidents have happened with me and I am very scared after all this. I am concerned about my safety as my father usually keeps travelling out of India. I would be thankful to you if you could help me out and do the needful. I am having my exams from 4th December so I am worried about my travelling and safety.

Thank you,

- (a) contravenes the provisions of section 16 of the Act; or
- (b) has been convicted for an offence or an inquiry into an offence under any law for the time being in force is pending against him; or
- (c) he has been found guilty in any disciplinary proceedings or a disciplinary proceeding is pending against him; or

- (6) All Academic Staff Colleges (now known as Human Resource Development Centres (HRDCs) and Regional Centres for Capacity Building (RCCBs) must incorporate sessions on gender in their orientation and refresher courses. This should be across disciplines, and preferably mainstreamed using the UGC SAKSHAM Report which provides indicative modules in this regard.
- (7) Orientation courses for administrators conducted in HEIs must have a module on gender sensitization and sexual harassment issues. Regular workshops are to be conducted for all sections of the HEI community.
- (8) Counselling services must be institutionalised in all HEIs and must have well trained full-time counsellors.
- (9) Many HEIs having large campuses have a deficit in lighting and are experienced as unsafe places by the institutional community. Adequate lighting is a necessary aspect of infrastructure and maintenance.
- (10) Adequate and well trained security including a good proportion or balance of women security staff is necessary. Security staff must receive gender sensitization training as a part of conditions of appointment.
- (11) HEIs must ensure reliable public transport, especially within large campuses between different sections of the HEI, hostels, libraries, laboratories and main buildings, and especially those that do not have good access for day scholars. Lack of safety as well as harassment is exacerbated when employees and students cannot depend on safe public transport. Reliable transport may be considered by HEIs to enable employees and students to work late in libraries, laboratories and to attend programmes in the evenings.
- (12) Residential HEIs should accord priority to construction of women's hostels. For the growing population of young women wishing to access higher education, hostel accommodation is desirable in both urban and rural areas and at all levels of higher education which provides a modicum of protection from harassment of all kinds.
- (13) Concern for the safety of women students must not be cited to impose discriminatory rules for women in the hostels as compared to male students. Campus safety policies should not result in securitization, such as over monitoring or policing or curtailing the freedom of movement, especially for women employees and students.
- (14) Adequate health facilities are equally mandatory for all HEIs. In the case of women this must include gender sensitive doctors and nurses, as well as the services of a gynaecologist.
- (15) The Women's Development Cells in colleges shall be revived and funded to be able to carry out the range of activities required for gender sensitization and remain autonomous of the functioning of anti sexual harassment committees and ICCs. At the same time they shall extend their activities to include gender sensitization programmes in consultation with ICCs and help to disseminate anti-sexual harassment policies on campuses on a regular basis. The 'cultural' space and the 'formal academic space' need to collaborate to render these workshops innovative, engaging and non-mechanical.
- (16) Hostel Wardens, Provosts, Principals, Vice Chancellors, Legal Officers and other functionaries must be brought within the domain of accountability through amendments in the rules or Ordinances where necessary.
4. **Grievance redressal mechanism.**—(1) Every Executive Authority shall constitute an Internal Complaints Committee (ICC) with an inbuilt mechanism for gender sensitization against sexual harassment. The ICC shall have the following composition:-

Respected Sir,

Sub: Regarding my inconvenience to take up the responsibility of Chairperson, Internal Complaints Committee, SGT University

Hereby, kindly accept my humble submission regarding the above, that due to personal unavoidable reasons I will not be able to take up the responsibilities of the Chairperson, ICC, SGT University.

I would like to bring to your kind notice that, I have worked for this post earlier for almost 4 yrs, sincerely to the best of my abilities. However, I had submitted a letter to the registrar, on 27.8.2019, stating my personal reasons, that I was unable to continue in the post of Chairperson, ICC. Hence the committee was reconstituted then, with Dr. Sarala Hooda as the chairperson, however I remained member of the committee.

But in August 2020, I have noted, that I have been appointed as Chairperson, ICC.

Sir, I am presently under lot of stress, due to personal reasons, as my husband has shifted to Saudi, my household and children's responsibilities have increased, my PhD is in the final stages of data collection, and also the COVID season. Also, with experience I have understood and sincerely admit that I am incapable of handling the type of cases reported under this committee, as I have the least background knowledge about the legal aspects of these kinds of cases. Also, my limited vocabulary in Hindi, due to my south Indian background, brings a great limitation in communication with the parties, during the committee meetings. I understand, that this position is best handled by a person with a law background or a psychology background.

Sir, its my sincere submission, please consider my request, as I am not in any position to handle this responsibility at present.

I sincerely regret for the inconvenience caused from my side.

Request you to consider and oblige.

Thanking you sir,
Yours Sincerely,

G.N. Suma
